TRUSTEES CONFERENCE ON B.C. SCHOOL PROBLEMS

MINISTERS RETURNED UNOPPOSED

No Opposition Shows Up As By-election Nominations Close

Premier S. F. Tolmie and the members of his Cabinet were all returned by acclamation in their various ridings this afternoon.

At the Victoria Court House, R. A. Wootton, returning officer, waited from 12 to 1 o'clock for nominations other than the papers he had received for the Hon. Joshua Hinchliffe, Minister of Education.

When no one appeared by 1 o'clock he went down to the Station Street entrance and in a loud voice declared Mr. Hinchliffe duly elected, representing the citizens of Victoria. Only four persons, huddled against the wall seeking protection from the rain, were present.

TOLMIE IN SAANICH
While this was going on in Victoria, A. R. Sherwood, returning officer for Saanich, at the Royal Oak Municipal Hall, was declaring Premier Tolmie duly elected to represent the citizens of Saanich.

At the Esquimalt Municipal Hall Returning Officer J. C. de la Cruz, Hon. R. H. Pooley, Attorney-General, duly elected for that riding, when no opposition showed up.

The other Ministers, all re-elected by acclamation this afternoon, and their constituencies are:

Hon. R. W. Burin, Salmon Arm, President of the Council.
Hon. W. Atkinson, Minister of Agriculture, Chilliwack.

Hon. W. C. Shelly, Minister of Finance, Vancouver.
Hon. S. L. Howe, Provincial Secretary, Point Grey-Richmond.

Hon. F. P. Burden, Minister of Lands, Prince George.
Hon. W. A. McKenzie, Minister of Mines, Similkameen.

Hon. N. S. Lousheed, Minister of Public Works, Dewdney.
Hon. R. L. Maitland, being Minister without portfolio, did not need to seek re-election.

URGE CEMENT DUTY REMOVAL

Monopoly Has Been Created By Protection Given, Tariff Board Told

Ottawa, Sept. 25.—The opening barrage which aims at the removal of the present import duty on cement, was launched this morning before the Federal Tariff Advisory Board by A. E. Darby, director of economic research of the Canadian Council of Agriculture, and E. J. Dittman, secretary of the National Association of Cement Manufacturers' League of Canada. There was a formidable array of spokesmen appearing on behalf of the cement interests, including G. E. Jackson, for the cement producers generally; E. G. Long, K.C., for the Canada Cement Company; S. Janison, K.C., for the St. Mary's Cement Company, and E. Tomlin, for the British Columbia Cement Company.

In submitting the case for the removal of the prevailing duty, Mr. Darby charged that as a result of the protection given, a virtual monopoly of the supply of cement had been created, enabling normal economic influences on price to be ignored. He also claimed that the industry was over developed and over capitalized with a resultant waste of the economic resources of the nation.

INCREASES COST
"The imposition of a duty on imports on cement obviously adds to the price at which such imports are sold in Canada," Mr. Darby said. "It also confers on the manufacturer of cement in Canada the ability to raise the price of their own product over what it otherwise would be by an amount equal to the duty chargeable upon imports. Enhancement of the price of cement by import duties or monopolistic practices must operate to increase the costs of production in agriculture and industry, and to inflate the cost of private and public works to the detriment of the people, both as consumers and taxpayers."

Mr. Darby maintained that in the nature of the cement industry the cost of freight both the raw material and the product constituted a natural protection.

EARNINGS JUMP
The speaker presented lengthy data relating to the history of the industry in Canada, showing that the net earnings of the Canada Cement Company had increased from \$1,277,687 in 1910 to an estimated sum of \$4,583,649 in 1922.

These figures were challenged by Mr. Jackson, who contended that the statement filed did not segregate the net earnings; and failed to provide for depreciation. He filed a counter-statement of earnings which provoked considerable discussion.

FIRE SWEEPS TIMBER
Port Angeles, Wash., Sept. 24.—Four yards and loaders, four railroad bridges and 500 acres of down timber belonging to Merrill & Ring were burned in a fire which started Saturday night at Pysht, forty miles west of Port Angeles.

WHERE DEATH STALKED IN ROCKFORD

The ruin that a tornado made of a chair factory at Rockford, Ill., is pictured above. Many persons were killed or injured in the Rockford storm, and the property damage ran into millions. Brick walls were blown in like eggshells in the wind's fury. It was in this factory that most of the deaths occurred.

Underwriters Point To Lack Of Equipment

Victoria Fire Department Needs Engines, New Hall and More Men, According to Report Filed by B.C. Fire Underwriters In Discussion of Fire Rates; City Officials and Underwriters Will Meet in Near Future to Go Into Matter More Fully.

Praise for the efficiency of the Victoria Fire Department with its equipment at its disposal, and some criticism at the lack of important pieces of equipment and an under-manned force for the high value district and goes into particular recommendations at the B.C. Fire Underwriters Association, who recently spent two weeks in an exhaustive survey of fire risks here.

The report makes an extended examination of the water supply system, the construction and wiring of buildings in the high value district and goes into particular recommendations as to what should be done to improve the system. The report is signed by John L. Noble, manager, and A. S. McGregor, district manager, and F. E. Dowling, chief engineer of the association, has been placed in the hands of the city with a request for a meeting between city officials and the underwriters. A general summary of the city's present position in regard to fire fighting is given in the following terms:

MORE PUMPS NEEDED
"The water supply normally would give fair to good hydrant streams, but if fire assumes large proportions, it would be desirable to augment pressure by using a fire pump on high pressure system. Without it the high pressure system is of no more value than low pressure when the draw-off is heavy. No pump response on first or second alarm to this district (high value district)."

"The fire alarm system is well maintained, boxes in the district are conspicuous, and spacing is good. The Fire Department is considerably under-manned, but personnel and morale of members is good. The response of apparatus on first alarm is adequate, except for lack of pumps, efficiency in operation is handicapped by lack of men. The department is well provided with minor equipment, and heavy steam appliances. High winds are fairly frequent."

MAIN HIGHWAY ACROSS CANADA

Is Objective Outlined at Good Roads Association Convention

Regina, Sept. 25.—With 200 delegates in attendance, the fifteenth annual convention of the Canadian Good Roads Association opened here this morning. Hon. O. L. McPherson, Minister of Highways for Alberta, acting as chairman in the absence of Hon. P. Mackenzie, Minister of Highways for Ontario.

Inspirational addresses were delivered this morning by representatives of different provinces, no less than six provincial ministers extending greetings.

The keynote of the addresses was the valuable work being done by the association and emphasized needs of Federal Government assistance for a main highway across the Dominion. Every speaker this morning made it plain that it was the desire that the association should go on record during next three days as being in favor of a continuation of Federal financial assistance for the main highway.

This afternoon the convention opened its business sessions, papers being down on the agenda for reading and discussion on a number of important matters.

Last Division In Rhineland To Leave Soon

Brussels, Sept. 25.—The Liberal newspaper L'Indépendance Belge, yesterday predicted that the last of the Belgian divisions would be withdrawn from the Rhineland at an early date. The newspaper said that plans for withdrawing the last division had already been prepared.

TORONTO THIEVES USE MOTOR TRUCK

Toronto, Sept. 25.—Thieves gained entrance to the storehouse of Gordon Mackay & Company, Bay and Front Streets, over the week-end and removed silks, satins and watches to the value of \$25,000, it was announced last night following a check of the stock. Two hundred and nineteen watches and 11,375 yards of silk were stolen. It is believed that the thieves backed a truck up to the side entrance of the warehouse and removed the goods in a leisurely way.

FREEDOM FOR LEOPOLD AND LOEB POSSIBLE

Legal Error May Defeat Recommendation of Court

Pardon's Chairman Calls Them Sons of Wealth and Pampered Prison Pets

Chicago, Sept. 25.—An error in the mittimus under which Richard Loeb and Nathan Leopold Jr. were sent to the Joliet penitentiary four years ago makes these two slayers of Little Bobby Franks eligible for parole in six more years, Hinton Clabaugh, chairman of the State Board of Pardons and Paroles said to-day.

Clabaugh spoke of Loeb and Leopold as "sons of wealth, who are pampered pets in Joliet."

These men, each under life sentences for murder and ninety-nine years sentences for kidnapping, are building up "fine records" Clabaugh said, with a view to seeking parole, when because of the error in the mittimus, they become eligible within six years.

PRIVATE SECRETARIES
"One is private secretary to the first warden," Clabaugh said. "The other is private secretary to the Protestant chaplain. Yet Leopold is generally believed to have been the brains of the prison outbreak a few months ago which has cost so far several innocent lives and resulted in the hanging of three men."

Loeb and Leopold were the college students whose crime marked the birth of the "thrill" murder. They were defended by Clarence Darrow, whose strategy of having them enter pleas of guilty was one of a series of astonishing developments that marked the entire case. Following the plea, Darrow introduced testimony the object of which, as he expressed it, was not to keep them from paying for their crime, but to prevent their being hanged. The court in passing sentences recommended that they should be granted a parole, no matter how long they might serve.

Clabaugh did not explain what the error in the mittimus was.

EVERYTHING DONE FOR HARVESTERS

No Organization Could Have Done More, Says Yorkshire Alderman

London, Sept. 25 (Canadian Press Cable).—Returning from a seven weeks tour of Canada, during which a personal inspection was made of the conditions under which British harvesters are working, Alderman Thorpe, a member of a deputation of the Yorkshire voluntary migration committee, to-day said he was satisfied that "no organization anywhere could have done more than has been done for these men."

Mr. Thorpe cited the case of six men who refused to do harvest work at good wages because they wanted employment on the same farm. This was found to be impossible.

"Don't be surprised to find these six men spreading the 'good news' in England," Mr. Thorpe said.

Snow Falls In Ontario Cities

Sault Ste. Marie, Ont., Sept. 25.—Light falls of snow were reported overnight from several points within a twenty-mile radius of the Sault.

Lindsay, Ont., Sept. 25.—This town experienced the first snow flurry of the season yesterday. Large flakes fell for a few minutes. The thermometer registered as low as 25 degrees.

LITTLE JOE

"HE MAN WHO BOASTS HE'S EVERY INCH A GENTLEMAN MAN NOT BE VERY TALL."

San Diego, Cal., Sept. 25.—Photographs of Gordon Northcott accused "murderer" slayer, were identified yesterday by two men as the man who issued worthless checks to them here last fall. Acting on the statement of the bad check victim, Chief of Police Birditt swore out a warrant charging "John Doe" or "Earl Williams" with forgery. Williams was the name used by the check signer.

When Los Angeles police to-day announced they were investigating the source of Northcott's alleged plentiful supply of cash, R. Eck, hatchery manager and the cashier of a grain and milling company of Monrovia near here, took worthless checks for \$80 and \$85.80 respectively to the police. There they positively identified Northcott's picture as the man who presented the checks.

Investigating Northcott's Fund Supply

Toronto, Sept. 25.—Thieves gained entrance to the storehouse of Gordon Mackay & Company, Bay and Front Streets, over the week-end and removed silks, satins and watches to the value of \$25,000, it was announced last night following a check of the stock. Two hundred and nineteen watches and 11,375 yards of silk were stolen. It is believed that the thieves backed a truck up to the side entrance of the warehouse and removed the goods in a leisurely way.

P.G.E. Directors Hold Meeting

Vancouver, Sept. 25.—Only routine business was transacted at this morning's first full meeting of the new directors of the Pacific Great Eastern Railway. It was announced, Premier S. F. Tolmie and Colonel Nelson Spencer, the new directors, sat for the first time with W. J. Blake Wilson, Willard Kitchen and Chris Spencer who have been on the board for more than a year.

ENGLAND SEEKS B.C. ICE CREAM

Great London Dairy Company May Spend Million in Province

Vancouver, Sept. 25.—Involving the possible expenditure of millions in British Columbia, the Maypole Dairy interests of London have launched an extensive investigation into the feasibility of exporting thousands of gallons of British Columbia ice cream to Great Britain each month. It became known in Vancouver business circles to-day.

M. A. McKenzie, chief executive of Maypole Dairies, a \$20,000,000 London concern, which operates 1,400 retail grocery stores throughout England, was in Vancouver recently, it was revealed, this afternoon.

Upon Mr. McKenzie's second visit here, his financial agents will present him their report upon the ventures in which he has expressed an interest.

SOLVES PROBLEM OF SURPLUS
Decision by the Maypole Dairies to use British Columbia ice cream exclusively would mean, local producers said to-day, the solution of this province's surplus cream problem.

At the present time, close friends of Mr. McKenzie here pointed out, the Maypole Dairies purchase all of their butter from Denmark and Holland. Dairies in these two countries devote themselves almost exclusively to the manufacture of butter, with the result that there is little or no cream left for the manufacture of ice cream and other products.

Whether Mr. McKenzie would erect his own plants for the manufacture of ice cream or would contract with existing producers is undecided, it was learned.

P.G.E. Directors Hold Meeting

Vancouver, Sept. 25.—Only routine business was transacted at this morning's first full meeting of the new directors of the Pacific Great Eastern Railway. It was announced, Premier S. F. Tolmie and Colonel Nelson Spencer, the new directors, sat for the first time with W. J. Blake Wilson, Willard Kitchen and Chris Spencer who have been on the board for more than a year.

HIGH SCHOOL LOSES ABLE INSTRUCTOR

Edward W. Hamilton Smith Died Last Night After Long Illness

Victoria High School lost one of its ablest and most widely-accomplished teachers in the passing yesterday of Edward Woodford Hamilton Smith, M.A., B.Sc. (Edinburgh), instructor in Latin and other subjects.

In June, 1926, Mr. Hamilton Smith suffered a recurrence of an old malady for which he had undergone an operation, and applied for leave of absence. Since that time he had done no teaching, and he and his family were hopeful that the long rest would restore his health and permit the resumption of his duties, but a sudden relapse necessitated his entering the Jubilee Hospital on Monday, and he passed away last night.

Born in Inverary, Scotland, sixty-nine years ago, Mr. Smith was a graduate of Edinburgh University, where he received the degrees of M.A. and B.Sc. A man of wide intellectual attainments, he also took first class honours in practical agriculture, and later took a two-year course in chemical and electrical engineering at the Heriot Watt College.

WIDE EXPERIENCE
His teaching experience was extensive. After graduating, he was for five years a pupil-teacher at Inverary and for ten years principal of the public school at Strachur, Scotland. The new world then called him and for five years he was principal of the Bloomfield Academy at New Bloomfield, Pennsylvania, leaving there to become superintendent of the New Bloomfield public school, a post which he held for three years.

POPULAR FIGURE
In October, 1911, Mr. Smith joined the Victoria teaching staff, being subsequently attached to the High School where he remained until his health broke down in June, 1926. He was one of the most popular and highly-respected teachers at the school, and his death will be sincerely mourned by teachers and students alike.

He is survived by his widow, residing at the family residence, 2753 Cavendish Avenue, one daughter, Miss Patricia Hamilton Smith, and a son, Robert, as well as four sisters and one brother in Great Britain.

The remains are resting at the B.C. Funeral Chapel, from which the funeral will be held on Thursday at 3.30 p.m. Rev. Robt. Connell will officiate, and interment will be made at Royal Oak Burial Park.

SEAPLANES FOR WATER ROUTES

Order-in-council Will Probably Be Passed Soon

Ottawa, Sept. 25.—Commercial flying companies carrying passengers over water routes may be required to use seaplanes, if proposed changes in the air regulations are carried out. G. J. Desbarats, Deputy Minister of National Defence, stated yesterday. The whole question will be gone into shortly and an order-in-council will be probably passed.

Ground-to-plane radio communication has already been shown to be practicable by the Royal Canadian Corps of Signals, which points to the possibility of establishing meteorological service to planes in flight as suggested in the recommendation of the court of inquiry into the disappearance of the Victoria-Seattle tri-motored plane recently.

PIONEER KILLED

Rosestown, Sask., Sept. 25.—Injured when a truck he was driving came into collision with a team of horses, James Langwell, early settler in the Rosestown district, died in Rosestown Union Hospital Sunday night.

ONE VERSION OF "O, CANADA"

B.C. School Trustees to Ask Federal Government to Set Standard

Penticton, Sept. 25.—When at Monday afternoon's session of the B.C. School Trustees' Association convention Trustee H. H. Stanley, Burnaby, said that most of them could not truthfully use the words "Our Native Land" in the Weir version of "O, Canada," he threw flame on, under. He introduced a resolution that "in view of the confusion prevailing as a result of various versions of the national song, the Department of Education secure a new version which would not contain sentiments or statements not generally acceptable."

"If you can not be born again into Canada and sing of it as your native land without emphasizing the technical meaning of the word 'native,' I think you need some regeneration," declared Charles M. Woodworth, Point Grey, in protest.

"We are dealing with a song 'O, British Columbia,' or 'O, Vancouver,' or 'O, Victoria,' but with 'O, Canada,' urged Mr. Woodworth, and until they could get unanimity all over Canada on one version he did not think anyone should be "queamish" about a few words. He moved an amendment calling upon the Department of Education to confer with the department of the other provinces and settle on one version that all could use.

"We are terribly earnest about building up the nation of ours, about getting more patriotism in our schools; let's not quibble over words," he pleaded.

J. S. Gordon, municipal inspector, Vancouver, drew attention of the delegates to the fact that the whole matter was national in scope, and the proper authority to deal with it was the Federal Government. He was in favor of joint action by the provinces in memorializing the Dominion Government. The Woodworth amendment was then carried unanimously.

SEARCHING FOR NOBILE PARTY

Soviet Leader of Expedition
Raises Flag on Cape Nil

Moscow, Sept. 25.—Tass, the official
Soviet news agency, announced that
the Soviet flag had been raised on
Cape Nil by Professor Smolovitch,
leader of the rescue expedition which
had been searching for survivors of the
Noble Arctic party with the icebreaker
Krasin. The advance state that the
Krasin had established a provisioning
base at Cape Nil. A decree of the
central executive committee of the
Russian Socialist Federal Soviet Re-
public states that the land around
Cape Nil belongs to the Soviet.
The Krasin sailed along the coast
of Tikhon Island but saw no trace of life
there.
(Cape Nil probably is identical with
Cape Neale, Franz Josef Land.)

CONFESSES TO DOUBLE MURDER

Man Requests Seattle
Authorities That He Be
Electrocuted

Seattle, Sept. 25.—Breaking down
under the questioning of authorities
Arthur Schaefer last night confessed to
the murder of Mr. and Mrs. Joe Kirk
at their farm home near Shelton Sun-
day night, September 16. Schaefer said
he confessed to clear his conscience and
had but one request—that he be elec-
trocuted, the officers stated.
Schaefer said he committed his act
because he had a grudge against the
Kirks, who had befriended him. He
related how he had come to the Kirk
home several days before the shooting
and asked for food, which was given
him. The next day he was allowed to
earn more food by cutting wood, then
the third day, he declared, he was ac-
cused of the theft of a gun and ordered
from the place.
PLOTED REVENGE
Schaefer said he then went to a
deserted shack where he stayed for
three days plotting his revenge. On
Sunday night he crept through the
brush to the Kirk farm and waited for
his victim to return home, then, ac-
cording to the confession, as the couple
turned on the lights he shot Kirk dead
with the stolen gun. Mrs. Kirk was
shot as she ran from the house.
Schaefer said he then stole Kirk's auto-
mobile and raced through the night to
evade capture, finally abandoning the
car near Puyallup.

Five Killed on Truck on Way to Prayer Meeting

Granite City, Ill., Sept. 25.—Five
persons were killed and twenty-one in-
jured last night when an Alton and
Eastern freight train crashed into a
truck loaded with passengers bound
for a revival meeting.
The dead: Mrs. Leonora Dolich, Al-
fred W. Taylor, Miss Viola Simmer,
Miss Mary Squalls and Mrs. Nellie
Meredith, all of Granite City.

ELEVATOR IS NEARLY READY FOR ITS GRAIN

Electrical Machinery Tried
Out Yesterday By Super-
visors

City Asks Panama Pacific For
Assurance of Grain Supply

Electrical machinery at the Panama
Pacific Grain Terminal's Limited eleva-
tor was tried out at Ogden Point yester-
day, when the 2,200-volt circuit was
made for the first time since the equip-
ment has been installed. The elevator,
constructed by Smith Bros. & Wilson,
Vancouver, will be ready for the recep-
tion of grain within a few days time,
it is stated.

Over seventy men are still employed
on the contract, putting finishing
touches to the work of equipment in-
stallation. A maintenance crew of
superior men will be left behind by the
contractors to see the elevator in active
operation, and to make any necessary
adjustments in fittings when work gets
under way.

ELEVATOR CAPACITY

The elevator will be capable of stor-
ing well over 1,000,000 bushels, and can
handle 40,000 bushels of processed
grain per hour at top capacity. The
twenty-two concrete bins will be filled
from grain cars run alongside from the
Canadian National tracks, by car ferry
from Port Mann. Two grain vessels can
be loaded at once on the outgoing side.
Providing trimming can keep pace, a
4,000-ton vessel can be filled in thirty
hours, it is stated. The lining of the
grain vessels for whole or part cargoes
will be effected at this port, and will
mean considerable incidental work, it is
intimated.

The elevator has had an auspicious
beginning, say those who have worked
on the contract by reason of the fact
that construction has been completed
without a single major accident. Minor
injuries were sustained by two work-
men, but an entire absence of fatality
was noteworthy in connection with the
building.

WANT GRAIN CONTRACTS

Authorities for the city are now in
touch with the Panama Pacific Grain
Terminal Limited in connection with the
contract to supply the city with grain
to operate the elevator. All city ad-
vances to the contractors have been
made with the exception of the fifteen
per cent hold-back, kept for the grant-
ing of a final certificate, preparatory
to handing over the plant.

The elevator will be operated by the
Panama Pacific, interests, with the fol-
lowing officers: John A. Moore, presi-
dent; Dr. E. F. Myers, vice-president;
A. J. Gibson, managing director; James
Burden, formerly assistant superintendent
of the Alberta Pacific elevator at
Vancouver, will superintend the opera-
tion of the elevator here.

The plant was constructed by Smith
Bros. and Wilson, on plans prepared by
John S. Metcalfe & Company Limited.
J. E. Amundson was construction su-
perintendent, and A. J. Somerville, for
C. D. Howe & Company, supervising
engineer for the city.

TO MAKE PARK OF DEADMAN'S ISLAND

Vancouver Expecting Favor-
able Word From Ottawa

Vancouver, Sept. 25.—That Dead-
man's Island will be handed over to
the city for park purposes, appears to
be certain from a communication
George E. McCrossen, corporation coun-
sel, has received from Ottawa.

Reporting to the City Council Mon-
day, he stated that according to in-
formation he had received from Man-
man G. Guthrie, the city's parliament-
ary agent at Ottawa, Mr. Guthrie had
a successful conference with Hon. Dr.
L. H. King, relative to acquiring a
lease of Deadman's Island for the city
for park purposes.

The Minister, however, advised me
that the matter would have to stand
for some considerable time, as it is
necessary for him to procure certain
reports and straighten out certain de-
partmental difficulties, before an actual
lease could be given, the latter stated.

CAPT. DEWAR IS GIVEN COMMAND

British Navy Officer "Dis-
missed" After Royal Oak
Comedy Gets Appointment

London, Sept. 25.—Barely six months
after being "dismissed" from his ship
on charges growing out of the famous
Royal Oak affair, Captain Kenneth
Dewar has been appointed to com-
mand H.M.S. Tiger. His command was
notified in to-day's naval appoint-
ments.

The Royal Oak affair, which some
of the British newspapers at the time
facetiously compared to the con-
spiracy of Pinafore, centred about a
dance aboard the battleship Royal Oak
stationed in the Mediterranean. Cap-
tain Dewar and Commander Henry
Collard, both officers aboard the Royal
Oak, were found guilty after a court-
martial for conduct unbecoming to dis-
cipline and ordered reprimanded and
dismissed from their ship.

HARD FEELINGS

During the court-martial it was
brought out that Commander Daniel
had written a letter complaining of
the action of Rear Admiral Bernard
Collard in berating the playing of the
Royal Oak's band. The general rela-
tionship between Rear Admiral Collard
and the two executive officers of the
ship was brought out showing that
there had been some hard
feelings between them for some time.
Captain Dewar accepted Commander
Daniel's letter and forwarded it over
the rear admiral's head to Vice
Admiral Sir Roger Keyes.

LAKE HILL VOTERS MEET ON THURSDAY TO DEBATE GRANT

A meeting of residents and rate-
payers in the Lake Hill bus area
has been called by Reeve William
Crouch, M.P., to be held at the
Lake Hill Community Centre on
Thursday evening at 8 o'clock. The
council authorized the meeting to
ascertain opinions as to the use to
be made of the \$10,000 earmarked
for the district from the profits de-
rived from the sale of the munici-
pal bus system.

Development of centrally located
reverted property as a park and
schools playground will be advo-
cated at the meeting, and members
of the school board will act in sup-
port for enlargement of Cloverdale
School.

PLAN BROADCAST TO HELP SMITH

Irving Berlin, William Collier,
and Gene Buck Face "Mike"
To-morrow

Irving Berlin, William Collier, and
Gene Buck are to make a microphone
appearance on behalf of the candidacy
of Governor Alfred E. Smith. The
three men, famed in the theatrical
world, will be heard through a trans-
mission network of more than
twenty stations to-morrow, from 6.30
to 7.00 p.m. Pacific standard time, as
announced to-day by the National
Broadcasting Company.

This program, sponsored by the De-
mocratic National Committee, is be-
lieved to be the first air program of
its kind to be broadcast as part of a
political campaign.

FIRST APPEARANCE

Smith, one of the most successful
composers of popular music of the day,
has never before appeared before a
microphone in a radio studio. On the
Democratic programme he will sing
two of his own songs, "We'll All Vote
for Al in the Fall," and "Roses of Yes-
terday," his latest ballad.

The theatre and its attitude toward
Smith's candidacy will be discussed by
William Collier, noted actor-comedi-
an, who was in Vancouver as a con-
poser-lyricist and now is one of New
York's most successful producers.

William Collier, noted actor-comedi-
an, will be the master of ceremonies dur-
ing the broadcast.

In addition to the contributions of
these three, there will be music by
Fred Warren and the Democratic or-
chestra.

Stations on the Pacific Coast through
which the broadcast will be heard in-
clude KGO, Spokane, KOMO, Seattle;
KGO, Portland; KGO, Oakland; KFO,
San Francisco, and KFI, Los Angeles.

Keating

Keating, Sept. 25.—The South Saanich
Women's Institute held its Septem-
ber meeting at the Temperance Hall,
with a good attendance of mem-
bers. Mrs. H. Lawrie presiding.
Among the correspondence received was
a letter regarding the annual polo
and seal fair. The usual donation to-
ward the Women's Institute prizes was
granted but South Saanich will not
exhibit the junior institute prize
reputed plans for a bazaar near Christ-
mas, for which sewing bees will be
held.

Mrs. Sherring, Mrs. E. T. Lawrie and
Mrs. W. D. Mitchell will act as hostesses
at the card party on Saturday evening,
September 29. Mrs. Nimmo reported
on the Home Economics judging com-
petition held in Vancouver, and con-
gratulations were extended to Miss
Doris Mitchell, who won a bronze medal
in the competition.

More wool bees were discussed, but
the matter was left until the next
meeting. A discussion was held on
holding classes on some subject of in-
terest to the members, and the secre-
tary was instructed to obtain further
information on the matter. An effort
will be made to hold the annual polo
dress the members at the next meeting.
Refreshments were served at the close
of the meeting by Mrs. T. Mitchell, Miss
Violet McCall and Miss Blanche Sher-
ring.

Messrs. G. Stokes Sr. and G. Stokes
Jr., East Saanich Road, have returned
home after spending the last three
weeks in Edmonton.

Mrs. Merkle and Miss Myrtle Mer-
kle of Victoria were guests at the home
of Mr. and Mrs. W. D. Mitchell, Tele-
graph Road, during the week.

A varied and interesting programme
is anticipated at the concert to be pre-
sented at the Temperance Hall on
Wednesday evening, September 26, by
a number of winners in the last musi-
cal festival held in Victoria. The con-
cert is being held under the auspices
of the South Saanich Young People's
Society, and will commence at 8 o'clock.

The joint boards of Sidney and South
Saanich United Churches held the an-
nual meeting in the South Saanich
United Church, Rev. M. W. Lees pre-
sided and there were fifteen repre-
sentatives from the various organiza-
tions of the church present. Each repre-
sentative presented a report of the work
of his branch of the church and of-
fined the programme being prepared
for the coming year. The young people
at South Saanich will lead the Tem-
perance service on Sunday morning, Sep-
tember 30.

Harvest festival will be observed at
South Saanich on Sunday, October 7,
and on November 4, the anniversary
of the church union in Sidney and
South Saanich will be observed, and
Rev. J. P. Westman of Centennial
Church, Victoria, will lead the service
at Sidney and South Saanich on that
day.

Committees were appointed for Sidney
and South Saanich to take a prelimi-
nary survey of the district assigned to
this pastoral charge, with a view to
extending the work of the United
Church in the community. Cards will
be printed outlining the work of the
church and each department, and will
be sent out inviting all residents and
visitors to attend the meetings of these
various organizations.

The Farmers' Institute of South
Saanich held an interesting meeting
for September in the Temperance Hall.
Mr. George Brown, of the University
of British Columbia, was the speaker for
the evening, and gave a splendid ad-
dress on soils and fertilizers. At the
conclusion of the meeting refreshments
were served by the Women's Institute.

FINE VARIETY IN 'BITS AND PIECES'

George Robey Will Put Over
Real "Robeyisms" Here
Next Week

When George Robey comes to the
Royal Victoria on Monday next for a
week's engagement, local theatregoers
will see the king of entertainment over
which London goes wild.

"Bits and Pieces," the vehicle for the
first half of the week, played in London
for six months to crowded houses. The
tickets were held out for weeks ahead.
The show started on a six weeks' run,
and was still going strong at the end
of the half year, but had to leave Lon-
don to make room for other shows.

When a comedian is the success
George Robey has been in the world's
greatest city for nearly forty years, it
is no flash-in-the-pan affair. He has
built up a following that is annoyed
every time he leaves London, and any-
one who can play to crowded houses
these days of movie competition, and
do it night after night for months,
is an artist.

Robey's secret lies in his personality
and his ability to make his audience
people want. He calls his reviews "in-
ventions," and he burns the midnight
oil over them just as the studios in-
vent new plots over his work. He makes
them let-up-perfect before giving them
to the public. His success has justified
his method.

Another thing he does not hold the
spotlight against is his ability. He is al-
ways surrounded himself with good com-
panies, and in "Bits and Pieces" he
has one of the cleverest aggregations
ever seen in the theatre. Miss Marie
Blanche, his leading lady, is a rare
comedianne, a trained singer, and also
a clever violinist. The Hippodrome
show since its opening, have been a
tremendous hit in London, and there
are several other teams and troupes
with specialties that would rank high
in any company.

FIRST NIGHT HERE

An interesting announcement by Mr.
Robey is that he has a new show for
the second half of this week. It is
called "Between Ourselves," and will
be produced for the first time in Vic-
toria. Mr. Robey promises that it will
be another winner.

SENSATION IN NORTHCOTT CASE

But Joker May Have Had
Hand in Chicken Feed
Recipe

Los Angeles, Sept. 25.—A scrap of
rough paper from a tablet to-day had
sent a sensation through the city, as
a possible method of disposal of the
bodies of suspected boy victims of tor-
ture and murder on the Northcott
poultry farm near Los Angeles.

The slip of paper, found on the
ranch of Gordon Northcott, if it proves
genuine and not the work of some
practical joker, may play an impor-
tant part in solving the mystery of the
so-called "murder farm," authori-
ties believe. Written on it was the
recipe for chicken feed. It listed
measures of bran, wheat, bone, mash
and water, and closed with:

"A little boy, two and a half parts."
Discovery of the paper containing the
formula was announced by River-
side officers as they boarded a train
last night for Sacramento en route
to Canada, where they expect to take
into custody and bring back for trial
young Northcott, held in Vancouver,
B.C., and his sixty-four-year-old
mother, Mrs. Louis Northcott, under
arrest in Calgary. The two officers
who left last night were J. R. Quinn,
special investigator for the sheriff's
office, and Albert Kelly, district
attorney's office detective.

A mass of other evidence that had
been gathered by officers since North-
cott's nephew, fifteen-year-old Sam-
uel Clark, first told the story of the
slaying of boys on the isolated ranch,
was left in laboratories here for analy-
sis. Upon the decision of chemists,
handwriting experts and other aids to
scientific crime detection will depend
whether many of the items would be
used as evidence against the youth
and his mother.

The report of an oil company that
the wooden plug had been found re-
moved from the fifteen-inch casing
a test well in the vicinity of young
Northcott's cabin in Mint Canyon, to-
day caused a reopening of the investi-
gation at that place. Previously, of-
ficers had made a search there with
only a few pairs of boys shoes as their
reward. The oil company officials said
a quantity of quicklime was found
about the mouth of the test well.

After a two-hour questioning of
Clark, a Pomona, California, constable
yesterday declared he was positive that
two boys who the youth had said were
Northcott's victims were Nelson and
Louis Winslow. The Winslow boys
were kidnapped from their home in
Pomona several days before the slay-
ing. Clark fitted the description given by
the officers in detail that of the
missing boys.

ANNOUNCEMENTS

AT THE THEATRES

COLLEEN MOORE
PLAYS LEAD AT
LOCAL THEATRE

Mirth that fairly shook the Capitol
Theatre at the first local showing of
this latest Colleen Moore picture last
night provided ample evidence that
"Oh Kay" is one of the funniest come-
dies to reach the screen in months,
and after watching six reels of hilarious
humor, the audience went home still
chuckling.

"Oh Kay" is frankly a farce, having
been adapted for motion picture pur-
poses from the musical comedy of the
same name. It has been made all the
more laughable in the translation, and
the presence of Colleen's pert person-
ality in the stellar role is responsible
for the majority of the humor. Al-
though Colleen has probably had more
successful comedies than any other
feminine star, "Oh Kay" has topped
them all, and takes its place with the
best humor the screen has produced.
The stage attractions to appear to-
day at the Capitol Theatre include:
Fred Stone, the well-known Irish tenor
in song selections; Sandberg and Fox,
a comedy dance team that is excep-
tional; and Peggy and Vincent, the
comedy singing duo de la the Capitol
Theatre orchestra and Harold Bechtel,
the singing M.C., are also being
featured.

**SPLENDID CAST
IN PICTURE NOW
AT PLAYHOUSE**

Lillian Tashman, who has a featured
role with H. B. Warner, Clive Brook and
Lois Wilson in "French Dressing," at
the Playhouse to-day, has become, in
little more than three years, one of the
screen's most prominent actresses.

Starting with a small role in a pic-
ture three years ago, she has advanced
to a point of remarkable popularity,
and has created a distinctive screen
personality wholly individual.

**FEATURE COMEDY
SHOWING NOW AT
VARIETY THEATRE**

"The Gay Retreat," Fox Films fea-
ture war comedy, at the Variety The-
atre to-day, is said to be one of the big-
gest laugh films of the year. Gene Cam-
eron, Sammy Cohen, Ted McNamara,
Judy King, Betty Francophon, Hoags
Herbert, Jerry the Giant and Charles
Gorman are included in the cast. Ben
Stoloff directed the production.

**COLUMBIA SHOWS
A STORY OF WAR
ALL THIS WEEK**

The bewildering maze of intrigue
that held the world in its grip during
the Great War, while diplomats, secret
agents, officers of the armies and
navies of all nations vied with one an-
other in the great game of wits behind
the flaming barriers of the trenches,
forms the vivid background of "Secret
Orders," Evelyn Bren's newest melo-
drama at the Columbia Theatre.

**WILLIAM HAINES
LEADING MAN AT
COLISEUM HERE**

You can tell how long an actor has
been in pictures by the size of his
make-up box, according to William
Haynes. The Metro-Goldwyn-Mayer star
is a veteran—he carries a few pieces of
make-up material in a cigarette box.
"When I first went into pictures,"
he says, "I had a make-up box big
enough for three Lon Chaney and used
everything in it. Gradually I found
out that I didn't need to put paint on
my eyebrows—and later I found that
I didn't need much of anything. We
all find this out eventually."

"West Point" is an original story by
Raymond L. Schroek, directed by Ed-
ward Sedgwick, with Joan Crawford as
the heroine, and a large cast. It is be-
ing shown at the Coliseum Theatre.

**"GARDEN OF EDEN"
SHOWING AT THE
DOMINION TO-DAY**

If the original "Garden of Eden" was
any happier than Corinne Griffith's
choice of a vehicle for her first United
Artists Picture, it was indeed an
Utopian environment, where the at-
mosphere would have easily surpassed
the most fulsome praises by Florida or
California realtors of their own par-
ticular brand of ozone. For Miss Grif-
fith's "The Garden of Eden," which
was shown yesterday at the Dominion
Theatre to an enthusiastic house, is,
perhaps, her best effort to date. Both
in story and performance it sets a high
mark for future production, and augurs
well for her new association.

Pictorially, the production is as good
as an eye-wash. The color photog-
raphy is particularly beautiful, and is
not dragged in by the heels, as is so
often the case where color sequences
are used. Only that little part of the pic-
ture which reveals little Toni's dream
of fame and operatic triumph is shot
in color, and the fantasy of the treat-

ment makes this process peculiarly ap-
propriate.

**TREATMENT IS
RESISTED BY
LEPER COLONY**

Batavia, Java, Sept. 25.—A telegram
from Kota Radja, northern Sumatra,
yesterday, said ten lepers were killed
and four wounded when a colony re-
sisted efforts of officials to treat them.
The district commissioner and his
military escort had to fire in self de-
fence when the lepers, numbering
twenty-nine and including both men
and women, attacked the officials with
knives and lances.
Four of those killed were women and
two men were wounded. There were no
casualties among the military escort.

UNDERWRITERS POINT TO LACK OF EQUIPMENT

(Continued from page 1)

The recommendations urge that a complete set of plans of the water supply works be prepared in duplicate and kept in safety deposit; that an emergency service truck respond on second alarm, and also on call from the fire chief; that additional gate valves be placed in the water supply system; that consumption on meters be recorded for study; that a definite plan be prepared for future extensions in supply; with the adoption of standard minimum size of mains for

the various districts; that gate valves be placed in the distribution system; that a watch be kept on the number of hydrants necessary for full service.

The report also recommends that the personnel of the department be increased forthwith, on a scale of fire companies for the different apparatus ranging from seven to four men; that the policy of replacing old apparatus with new be adopted on a gradual basis; that halls be provided with hose, drying towers and extra hose; that a modern drill tower and drill school be established at headquarters for recruits; that a modern fire-resisting building be used to house the department headquarters; that additional fire alarm boxes be installed; that a

NOMINATIONS IN NOVA SCOTIA

Halifax, N.S., Sept. 25.—The following nominations for the forthcoming provincial elections October 1, were officially announced to-day.

Two Labor candidates, James B. McLachlan and Forman Waye, are nominated in Cape Breton East.

There are forty-three Conservative and forty-three Liberal nominations.

LEADER STAYS AT SCENE OF PLANE CRASH

Efforts Made to Salvage Engine of Big Seaplane

Formal Inquiry Into Disaster Expected at Ottawa

Ottawa, Sept. 25.—The Department of National Defence this morning was still without direct word from Squadron Leader A. E. Godfrey and his three flying companions since their Fairchild plane plunged into the Peace River on September 15.

Wing Commander J. L. Gordon and Squadron Leader L. S. Breadner, are expected to reach telegraphic communication at Peace River to-day and official expectations are that they will then communicate with Ottawa. Commander Godfrey and Sergeant Graham, mechanic, have remained behind to dismantle the engine of the plane.

IN TRAPPER'S CABIN

A brief message was received last night, however, from a Government official at Grande Prairie confirming the finding of the stricken plane.

A. D. McRae, Conservative member for Vancouver North, in a trapper's cabin near the Carcajou Trading Post on the Peace River.

No definite decision has yet been made by the Department on the question of the completion of the inspection trip which the Air Board officers

were carrying out at the time of the accident.

"The decision will depend on the report we receive from the officers and the condition of Commander Godfrey's bruised leg," the Department stated.

General McRae, who found the lost stricken plane, placed Commander Gordon and Squadron Leader Breadner on a chartered boat to bring them to Peace River. He also provisioned Mr. Godfrey and Sergeant Graham for one week and arranged to have the chartered boat return immediately for them at Carcajou.

Squadron Leader Godfrey and Sergeant-major Graham are remaining at the scene of the crash in an effort to salvage the plane's engine.

Only meagre details of the arrival of Wing Commanders Gordon and Breadner trickled through to headquarters late Monday and these came in brief telegraphic reports from the R.C.A.F. representative at Peace River Crossing.

IN GOOD CONDITION

The message intimated that both fliers were in good condition and displayed little or no effects of the hardships which they had undergone.

There is every possibility that by now the two fliers have continued on their way and are at Peace River, the first important stage on their way out of the north country, officials stated.

Just what the next move of the two aviators who have left the scene of the disaster will be could not be learned to-night. Officials here are awaiting full reports of the crash before anything definite is decided upon.

There is every possibility that they may rest at Peace River until the relief plane reaches them and continue their tour after being joined by Squadron Leader Godfrey. On the other hand they may be ordered to report immediately to headquarters here in order that a formal inquiry may be opened.

LINKS FOREST AND MARKET ACTS OF B.C.

If One is Held Ultra Vires Other Must Be Also, Counsel Argues

Vancouver, Sept. 25.—If the Produce Marketing Act is held to be ultra vires because it purports to regulate shipments of British Columbia produce into other provinces then the Forest Act must also be by the board, argued H. B. Robertson, K.C., in Supreme Court Monday.

The Forest Act, he pointed out, prohibited the export of logs from crown lands except under license. The Sale of Goods Act, which might also affect transactions with people out of the Province, would also be bad, said Mr. Robertson, if the Produce Act was unconstitutional.

He contended that the Legislature would be powerless to control any of the natural resources and products of the Province if its hands were tied in the way proposed by opponents of the Market Act.

Argument of H. S. Wood, K.C., and J. P. Cairns, Esq., that the act is invalid while it interferes with shipments out of the Province continued to-day before Mr. Justice W. A. Macdonald, who, however, held it was unnecessary for him to deal with the general constitutionality of the measure in view of the fact that that question was already on its way to the Court of Appeal.

ONTARIO SELLS BILLS IN LONDON

First Province to Take Advantage of English Market in Years

Toronto, Sept. 25.—The province of Ontario has just completed an arrangement with the Bank of Montreal whereby the sale of \$10,000,000 of one-year treasury bills at a net cost to the province of 5.18 per cent, has been arranged in London, Eng.

The loan is the first floated in Great Britain by the province in twenty-three years and represents the first effort of any province to take advantage of the English market in recent years. Proceeds of the issue will be used to meet maturing treasury bills and bank credits made necessary by expenditures on capital account.

TRUSTEES CONFER ON B.C. SCHOOL PROBLEMS

(Continued from page 1)

Following defeat of an amendment to excuse conscientious objectors among school teachers from reading selected passages from the Bible in school, the motion itself was overwhelmingly turned down at the afternoon session.

A. L. McWilliams, Vancouver, voiced the feeling of most delegates when he declared that the proper place for the inculcation of moral standards was in the home. He was not prepared to admit that the churches were not encouraging religious study; and if the people compelled their children to attend Sunday School and church, their would not be all the argument about introducing Bible reading into the schools.

On motion of North Vancouver City the convention decided to ask for the repeal of the clause "or" sub-section 1 Section 56 of the Public Schools Act, which makes it the duty of Municipal School Boards to provide for the education and tuition only for pupils whose parents are registered owners of property on which the tax assessment amounts to \$75.

BEST REPORT PRESENTED

The annual report showed that there were now 109 members in the association, an increase during the year of seventeen. Finance is in a healthy condition, it was shown. H. Manning, president, remarked that it was the best executive report ever presented to the association, and nothing sounded quite as good as the evidence that they were looking after the pioneer settlers in outlying districts.

A resolution submitted by Courtenay for the amendment of Section 133 B, making it impossible for a teacher to appeal the unanimous decision of a

There are many charming styles to choose from in the wanted patterns and colors. This is a great opportunity for you to purchase one or two at a decided saving.

board of school trustees regarding dismissal was lost on the ground that it was not British justice.

WELCOME HINCHLIFE

In his annual address, H. Manning, president, welcomed Hon. Joshua Hinchliffe, Minister of Education, to the convention, and stressed the need for better financial arrangements for the progress of the smaller schools of the Province, and he thought that the man of twenty-one was as much entitled to be taxed as the man of sixty. He also advocated that textbooks be printed in British Columbia or in co-operation with other provinces.

Reduce the Acid

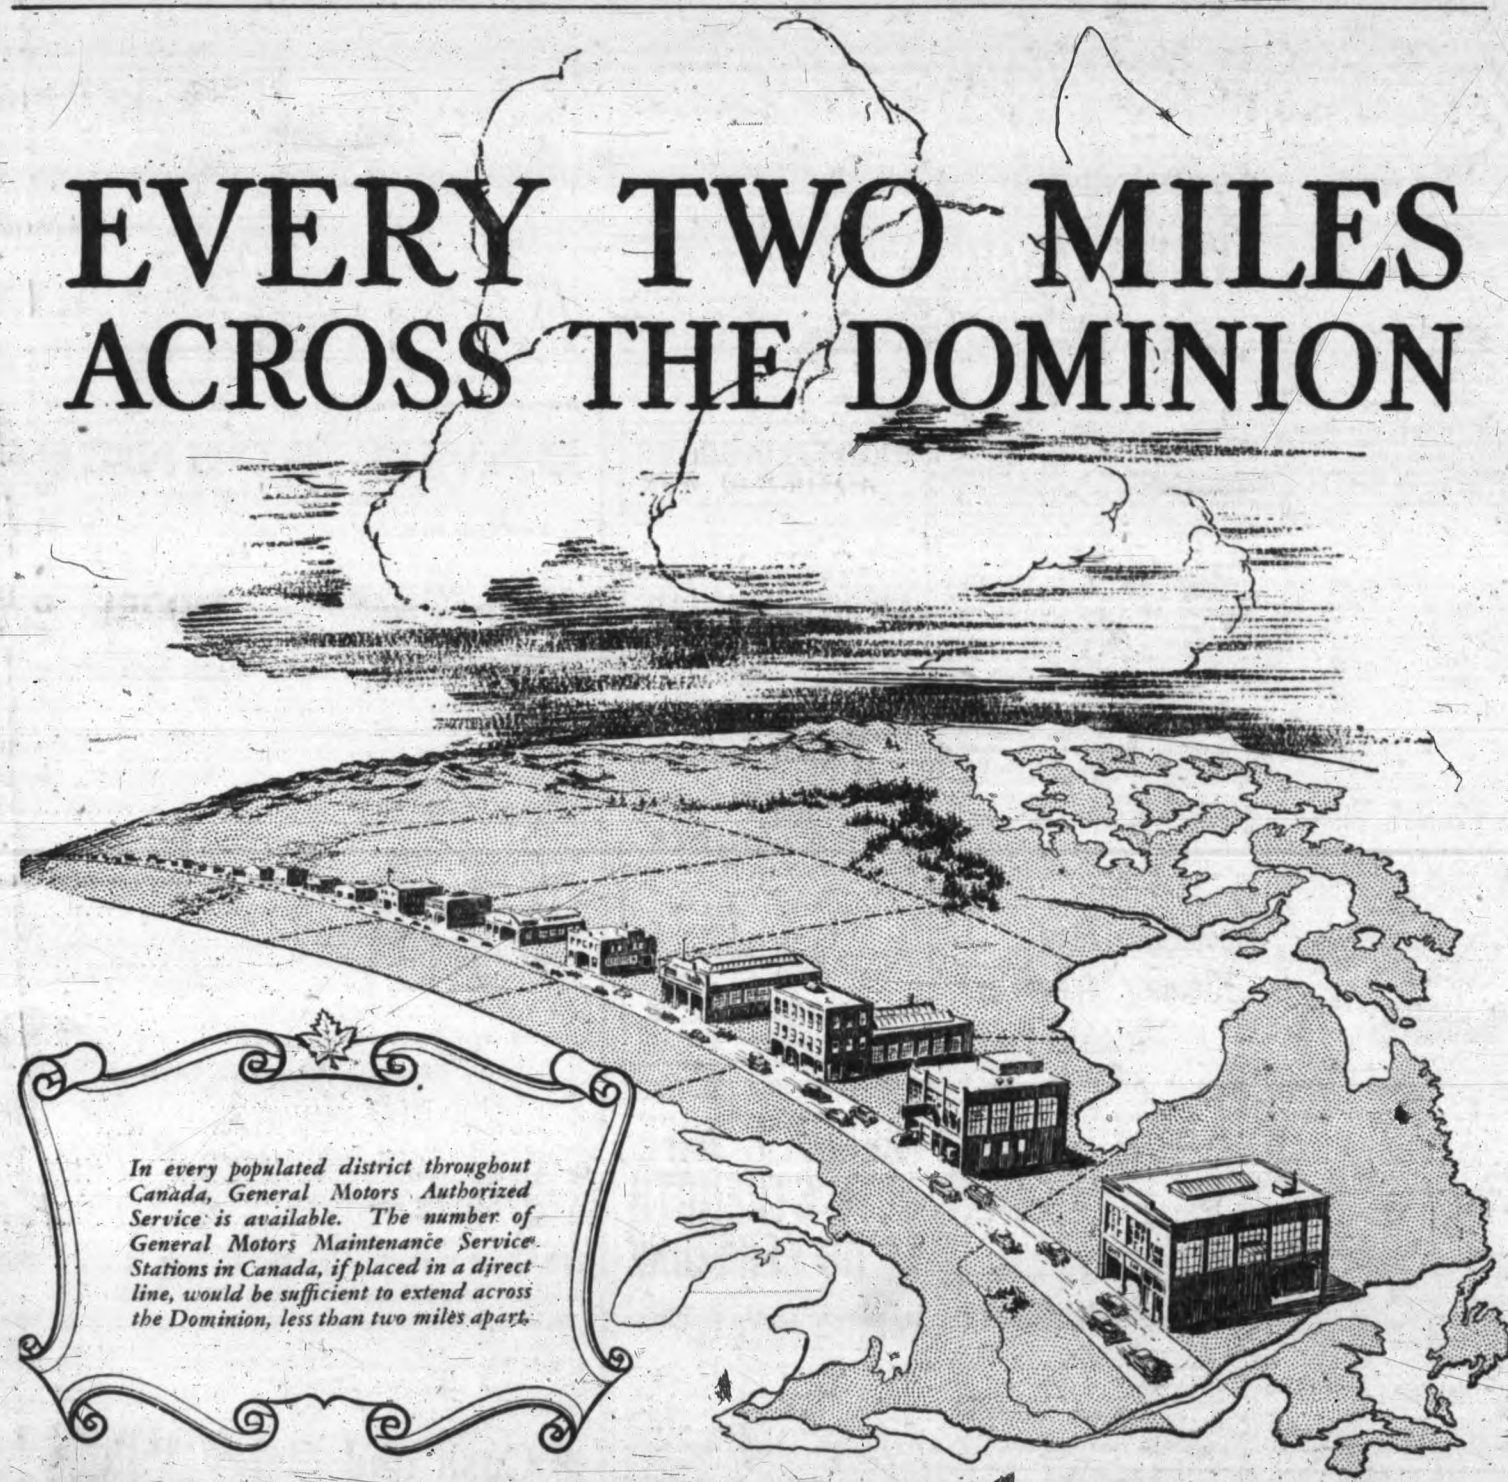

In sick stomachs—instantly

Sick stomachs, sour stomachs and indigestion usually mean excess acid. The stomach nerves are over-stimulated. Too much acid makes the stomach and intestines sour.

Alkali kills acid instantly. The best form is Phillips' Milk of Magnesia, because it is harmless, tasteless, does not neutralize many times its volume in acid. Since its invention, 50 years ago, it has remained the standard with physicians everywhere.

Take a spoonful in water and your unhappy condition will probably end in five minutes. Then you will always know what to do. Crude and harmful methods will never appeal to you. Go prove this for your own sake. It may save a great many disagreeable hours.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. Each bottle contains full directions—any drugstore.

In every populated district throughout Canada, General Motors Authorized Service is available. The number of General Motors Maintenance Service Stations in Canada, if placed in a direct line, would be sufficient to extend across the Dominion, less than two miles apart.

NOT only does General Motors build better automobiles... not only does it embody in these cars the latest engineering developments... but it also maintains a vital interest in seeing that these better General Motors cars deliver the utmost in satisfaction in the hands of their Canadian owners. To that end, there are in Canada enough General Motors service stations to extend at two-mile intervals from the farthest tip of Cape Breton, clear across Canada to the blue waters of the Pacific.

These service stations are staffed and equipped to render an efficient service. Each is within twenty-four hours distance of a distribution depot for genuine General Motors parts.

And, not in Canada alone, but throughout the United States... all around the civilized world... the General Motors chain of service extends unbroken.

Whatever road you travel, however far you

go, you will find General Motors service always near at hand... BETTER service, because of General Motors centralized control... ECONOMICAL service, because of the standardization and the extensive interchangeability of General Motors parts... SATISFYING service, because its one object is to insure for you the uninterrupted use and enjoyment of your General Motors car... Service everywhere and everywhere good service.

DR. TOLMIE AND THE P.G.E.

PREMIER TOLMIE SAYS THE DAY FOR decrying the Pacific Great Eastern Railway is past. The Times first gave expression to this opinion some time ago. It has repeated it on several occasions because an efficient management has been reducing the size of the annual discrepancy between operating costs and operating revenue.

These things did not impress our Conservative friends when they were in opposition. It is only fair, however, to acquit the new Premier of a charge of embarrassing the late Government by capricious criticism of its railway policy. He admitted more than twelve months ago that he knew very little about this problem; he would inspect the line at the first opportunity and then tell the people of the province what he would do with it. He has been over the system from one end of steel to the other. It would be unreasonable to expect him to announce his Government's policy with regard to it until he has digested all the information he now has in his possession.

For the moment we shall infer from the Premier's statement that his supporters in the Legislature will change their tactics and discontinue alluding to the line as a "white elephant." To an extent greater than perhaps they would admit this talk from the members of the former Opposition party obviously has not encouraged outside interests to look favorably upon proposals for its sale.

Dr. Tolmie is under no delusion about this railway problem. He will need all the assistance the Liberal Opposition can give him; and we may be sure that former Premier MacLean, who we hope will lead the Opposition, will place at his successor's disposal all the information which he assembled while he was in office.

Perhaps Premier Tolmie will be able to prevail upon that section of the press of British Columbia which supported him in the recent election campaign to refrain from persistently advertising the P.G.E. in word and picture as if it were some wheezy system about ready for the scrap heap. We are convinced that these newspapers did not hold the opinions which their obvious propaganda reflected. They were determined at all costs to defeat the MacLean Government and they chose this form of attack on the railway to assist them to attain their ends.

HIDING BEHIND THE FLAG

HON. R. B. BENNETT HAS BEEN WAVING the flag in Winnipeg. In a recent speech there he wanted to know to which of the great economic units into which the world was dividing itself Canada should belong. He saw four of them: the British Empire, the United States, Europe, and Russia. He spoke of the strong position which the British Empire held in trade, and declared that "there never was a vision more attractive to man than this." But he concluded by saying that "it is not for me to answer the problem; I have my ideas, and you have yours."

It will be noted that Mr. Bennett cautiously avoided committing himself to any special policy. Certainly the record of his party on inter-imperial trade is very unsound. It is opposed to the extension of facilities for the free interchange of commodities between the various Dominions. It fought the Canadian-Australian trade treaty tooth and nail, both on the hustings and on the floor of Parliament. Several times it has urged the abrogation of the treaty in spite of the fact that this Dominion is selling to Australia approximately three times more than she is buying from her. Mr. Bennett's party also attacked the trading arrangement with the British West Indies. It also would abolish the British Preference.

If Mr. Bennett really is concerned about the future economic relationships of Canada, if he is fearful that she may not always belong to the economic unit known as the British Empire, why does he not advocate free trade among the members which compose that unit? He does not deal with the problem as he knows it should be dealt with because he would be renouncing the traditional policy of his party—of a high tariff against not only foreign countries, but against other Dominions as well.

NOVA SCOTIA'S ELECTIONS

NEXT MONDAY THE ELECTORS OF the Province of Nova Scotia will go to the polls to elect a new House of Assembly. The last election, which gave the Conservative Party led by Mr. Rhodes an overwhelming majority after more than forty years of Liberal rule, took place in June of 1925. The maximum period for which a Government may hold office in that province is four years. The present Administration, therefore, had almost another year to run.

Newspapers in opposition to the present regime are puzzled to know why Premier Rhodes has chosen to go to the country at this time. He replies that

he desires to effect the change in the constitution of the Legislature which the abolition of the Legislative Council—a course endorsed at the last general election—involves. The Halifax Chronicle, an Opposition newspaper, chides the leader of the Government for using this point as a pretext for an appeal to the electorate, since "it involves a very fine question of constitutional usage and procedure which is of interest only to specialists in constitutional law, a question about which the average voter knows and cares little or nothing." This journal then comments in part:

The constitutional question then being brushed aside, and in fact entirely ignored, the Government has been placed squarely on the defensive. Whatever advantage Premier Rhodes may have secured by his "surprise attack" may be more than lost by the fact that his supporters everywhere are on the defensive. The people who regard the administration of provincial affairs as largely a matter of the application of sound business principles are still more and more bewildered. No light or leading has come from Premier Rhodes or his Ministers. They have submitted no issue to the country upon which a mandate of the people would be demanded. They have made no new declaration of policy. They have not enunciated any plan for carrying out their pledge of 1925 to investigate the economic condition of the Province. They have not appointed a Fact Finding Commission. They have not developed any new programme for the improvement of the highways of the province. They have not devised any scheme for the betterment of the long neglected secondary roads, which are the means of communication for the farmers in their daily life and toil. They have not disclosed openly any new policy on the liquor question. They have not even enumerated a plan "for bringing the Boys Back." They have refused to adopt the Old Age Pensions measure.

It is hardly to be supposed that the voters of Nova Scotia have changed their minds sufficiently in so short a time as to cause Premier Rhodes any uneasiness about the result of next Monday's contest. But the opinion seems to prevail that a good deal of resentment has been aroused among the people by the Government's failure to carry out the pledges which it gave a little more than three years ago.

It should be noted, incidentally, that the Legislative Council which is about to be abolished is composed of twenty-one members who are appointed by the Crown for life. The House of Assembly is composed of forty-three members elected by the people. When the House was dissolved the standing of the parties was as follows: Conservatives, 38; Liberals, 3; vacancies, 2.

THAT NAVY PROPOSAL

ACCORDING TO THE NEW YORK Times the United States has been asked by Great Britain to submit her own plan for further naval disarmament if she does not approve the proposal which France and Great Britain have submitted to her. Lord Cushendun is quoted as saying that the British Government seeks a basis on which an agreement can be reached with respect to the issues which failed of solution at the Geneva conference last year.

Plain declarations have been made by Britain and France to the effect that their proposed understanding had not the slightest regard for possible trouble between them and the United States. As far as Britain and the neighboring republic are concerned, of course, nothing will arise between them that peaceful means will not dispose of. Nor is there any very great likelihood of relations between her and France becoming unduly strained.

The Toronto Star has discovered what it considers one of the best conjectures so far advanced as to the cause of the attempted agreement. It is by the editor of The Irish Statesman and follows:

What we think it really means is that both Great Britain and France are terrified about each other, and what would happen to each other's trade and capitals if war broke out between them. Either could bombard the other's capital by aeroplane. In the great war the effect of the bombardment was so devastating on the men in the trenches that they often brought their trenches up quite close to each other, so that it was impossible to have heavy shell-fire directed against either, as it might destroy friend as well as foe. Well, such is the terror England and France have of each other's aeroplanes, submarines and navies that they have come close to each other for protection. We doubt if they were thinking of the United States when making this agreement, or of anything except their own salvation.

There are plenty of reasons why Great Britain and France should put the risk of war between them as far away from them as possible. The recent aerial manoeuvres over London indicated what would happen to the country and its civilian population in the event of a raid by aeroplanes. War between these two countries would simply drop to a business of mutual destruction. The cause of peace, of course, will be much more effectively served by nations refraining completely from every sort of secret arrangement with respect to armaments.

WHAT OTHER PAPERS SAY

HELPING DOC MAYO
 The Ohio State Journal
 Dr. Charles H. Mayo now tells in complete detail just exactly how to run the newspaper and we are thinking of writing a two-column editorial on the technique of removing the gall bladder, in case he'd like to know.

THE NEW NAVAL AGREEMENT
 From The Saturday Review
 Our agreement with France is presumably inoperative unless it receives the assent of the other Powers, which they are unlikely to give. . . . If and when that consent is refused, England and France are then faced with the alternatives of either dropping the agreement altogether, or if they keep it alive it means for all practical purposes a new naval alliance between England and France and a pooling of their naval power. Against whom? We do not like the outlook.

A THOUGHT

Be ye angry, and sin not; let not the sun go down upon your wrath.—Eph. iv. 26.
 Anger is the most impotent passion that accompanies the mind of man; it effects nothing it goes about; and hurts the man who is possessed by it more than any other against whom it is directed.—Clarendon.

BRIDGE MADE EASY

W. W. Wentworth

(Abbreviations: A—ace; K—king; Q—queen; J—jack; X—any card lower than 10.)

DECLARER'S STRATEGY
 Shuffling should be resorted to whenever necessary, an illustration thereof being as follows:
 Dummy—spades 8 7; hearts A 5 4 3; diamonds 9 7 6 3; clubs A Q 10.
 East—
 Declarer—spades A K Q 6 5; hearts 9 7; diamonds A Q 5 4; clubs 6 5.
 West—Leads club 10.
 At trump play, upon the dummy's being exposed, the declarer counts his losers. He notices that game may be made providing he can rid himself of the losing heart trick. This may be accomplished by finessing the 10 of clubs, returning to his own hand and finessing the Queen of clubs on the next round and then shuffling the losing heart on the Ace of clubs. If this stuff were not required the first fin in the club suit would be through the Queen of clubs and not the 10 of clubs.

The WEATHER

Daily Bulletin Published by the Victoria Meteorological Department

Victoria, Sept. 25—5 a.m.—The barometer remains high on the Northern Coast and fine, warm weather continues over this Province. Severe frosts have occurred in Saskatchewan. Reports
 Victoria—Barometer, 29.85; temperature, maximum yesterday, 61; minimum, 52; wind, calm; weather, cloudy.
 Vancouver—Barometer, 29.86; temperature, maximum yesterday, 66; minimum, 52; wind, calm; weather, cloudy.
 Kamloops—Barometer, 29.74; temperature, maximum yesterday, 70; minimum, 56; wind, calm; weather, cloudy.
 Barkerville—Barometer, 29.82; temperature, maximum yesterday, 63; minimum, 42; wind, calm; weather, cloudy.
 Prince Rupert—Barometer, 30.00; temperature, maximum yesterday, 54; minimum, 50; wind, calm; rain, 21; weather, foggy.
 Esquimalt—Barometer, 29.94; temperature, maximum yesterday, 56; minimum, 52; wind, 3 miles N.W.; rain, trace; weather, foggy.

No responsibility is assumed by the paper for the preservation or restoration of communications submitted to the Editor.

A DISCLAIMER

To the Editor:—In your paper this evening an article appeared stating "Ansoncomb will be candidate for mayorality." This is followed by a general statement reading: "It was announced to-day." "I have previously stated that it is absurd to discuss matters of this kind months before they take place, and I still adhere to that position." "If in the future there is any statement to make, when the time is ripe it will be made."
 H. ANSONCOMB.
 356 Newport Ave., Victoria, B.C.
 Sept. 24, 1928.

SHALL VICTORIA HAVE A CHORAL SOCIETY?

To the Editor:—I read with great interest the above question voiced in

TWENTY-FIVE YEARS AGO TO-DAY

THE VICTORIA DAILY TIMES, SEPTEMBER 25, 1903
 Vancouver, September 25—Sir Thomas Shaughnessy, the president of the C.P.R. Company, and party arrived by special train early this morning. They proceeded to Victoria this afternoon, returning on Sunday morning. This evening the Liberal candidates will address the electors of Victoria West at Semple's hall.
 There arrived in the city last evening E. S. Clouston, the general manager of the Bank of Montreal.
 Weather forecast—Victoria and vicinity: Light to moderate winds, generally fair to-day and Saturday.
 The Victoria Chemical Company purpose shortly making an addition to their wharf adjoining the works.
 The little school in the village of Esquimalt which has stood for well over a quarter of a century is to be transformed into a public hall.
 By one of the ironies of fate, John Oliver, of Delta, whose persistence in following up the C. & W. land scandal was the climax which accomplished the downfall of the Prior government, has been obliged to take the field against its successor, the McBride administration. Coming into the British Columbia Legislature in 1900 a comparative tyro in politics and public life, Mr. Oliver quickly mastered the rules of debate and forged to the front as one of the most effective debaters of the House.
 The Executive of the British Columbia Agricultural Association held a meeting last evening at which there was a large attendance.
 Building sites in the vicinity of the post-office are being picked up in a manner indicative of the renewed confidence in the city of Victoria.
 To-morrow's lacrosse game between Victoria and Vancouver here promises to be well worth seeing.
 Small catches were obtained by Victoria seining schooners in the Behring sea this year. This is the news brought here by the steamer Casco, Captain Munro, which arrived here this morning.

MAYBLOOM TEA
 Has no equal in cup quality
 NOW REDUCED PRICE AT YOUR GROCERS

Your issue of Saturday last and so ably answered by your valued musical critic G.J.D. My hopes (which have been latent for many years) revived thinking that an able conductor may be found. The cost of performing these great works could surely be met if a goodly number of honorary patrons as well as active members would give their support by regular attendance at the concerts. The interest would be widespread and in the near future I have visions of similar organizations to those of the young men's choir in the Old Country where none but the best music was heard and faithfully rehearsed. As an enthusiastic admirer of past singing I should like to have a place, quartettes, motets, folk songs, etc. added to the programmes to ensure popularity.
 M. L. WALLICH.

PROBLEM FOR YOUNG CANADA
 To Which of Great Economic Units Shall Dominion Belong, Bennett Asks

Winnipeg, Sept. 25—Amidst an eloquent plea for honesty, integrity and knowledge addressed to the young business men of Canada, Hon. R. B. Bennett, Conservative leader, speaking to 800 members of the young men's section, Winnipeg Board of Trade, last night declared there was a problem on the horizon that could not be settled in his time. For the solution of it the young Canadians of to-day must answer to those who follow after them. To which of the great economic units into which the world is dividing itself shall Canada belong?
 Mr. Bennett referred to the various economic units—the United States, Europe, Russia and the British Empire. He told of the strong position of the British Empire in trade, and declared: "There was never a vision more attractive to man than this. There was never a greater opportunity. It is not for me to answer the problem. I have my ideas, you have yours." Young business men, he declared, should study and read, and he added: "The basis of all your efforts must be honesty and integrity. Predicate all your policies, all your plans, all your business on the fundamentals of honesty and integrity."

Mechanical Man
 Running Street Car
 Vision of Future

Cleveland, Sept. 25—Visions of the day when a street car can be operated by a mechanical man fashioned of copper veins, porcelain bones and insulated wire nervous system and vacuum tubes for vital organs were before delegates to the American Electric Railway Association convention yesterday.
 A private exhibition of Televox, a mechanical man now given the power to speak, will be before the members of the Association.

COLD COMING ON?

If so, remember "Nostrilene." It clears the head and stops mucous discharge. Isn't that what you want? Get "Nostrilene" just as soon as you can reach, or mail order to Charles Hudson, Druggist, 2008 Oak Bay Avenue, Victoria. 50c.
 Your Nose Needs "Nostrilene."

CONFESSED KILLER PLEADS NOT GUILTY

Vernon Booher Causes Sensation in Edmonton Supreme Court at Opening of Trial

Edmonton, Sept. 25—Vernon Booher, who had previously confessed to killing his mother, brother and two hired men on the Booher farm near Mannville, created somewhat of a sensation in the Supreme Court yesterday morning when upon being arraigned he pleaded "not guilty."
 It was in the Booher case that Dr. Langner, Winnipeg criminalologist, assisted the Alberta provincial police, and after finding the weapon which Booher is alleged to have used, paved the way for the confession.
 The youth is defended by Neil D. MacLennan, K.C., who has the assistance of J. D. Nicholson, until recently inspector of the Alberta provincial police. The majority of the morning session was given over to medical evidence from the Mannville doctors who were called to the farm following the finding of the bodies.

Islands

MAINE
 Maine Island, Sept. 25—Admiral and Mrs. Nugent of Cranston are staying with Col. and Lady Constance Fawkes at Culebra.
 Mrs. Houlgate is spending a few days at Metehoon.
 Mrs. Beeton is staying with the Rev. and Mrs. Porter.
 Mrs. G. Maude and family are paying a short visit to Victoria.
 Mrs. Rose has returned home from Victoria, and Dr. Rose's many friends will be glad to hear he is making a rapid recovery after his operation.
 Miss V. Robson has gone to Vancouver to stay with her aunt, Mrs. Dean.
 P. West, after spending a holiday with his parents, Dr. and Mrs. West, has returned to Moose Jaw.
 Mrs. Hodgson has returned to the Mainland after a visit here.
 The friends of G. Maude will be glad to hear he is well again after his recent illness.
 Mr. Sinclair of New Westminster, who was schoolmaster here for ten years, more than twenty years ago, is staying here looking up old friends.
 T. West has returned to Saskatoon.

FARMER'S WIFE GETS STRENGTH TO DO HER WORK

By taking Lydia E. Pinkham's Vegetable Compound

St. John, New Brunswick—"I was all run-down from a pain in my back and my left leg bothered me so sometimes that I was unable to do my work. I saw your ad in the newspapers and decided to give your medicine a trial. I have taken over seven bottles of Lydia E. Pinkham's Vegetable Compound and am now relieved of this suffering. I am a farmer's wife and have three children. I tell all my friends of your Vegetable Compound and I am sure that when it helps me it will help them. I am willing to answer letters from women asking about the Vegetable Compound. All thanks to Lydia E. Pinkham."—Mrs. ARTHUR N. DENNISON, 183 Wentworth St., St. John, New Brunswick.

Happy Valley

Happy Valley, Sept. 25.—Mr. and Mrs. Stanley Neff and son, Lewis, who have been resident for some time at Duncan, have again taken up residence in Happy Valley.

H. Webber of the Old Luxton Road is carrying out extensive alterations to his residence.

Members of the Reformed Episcopal Sunday school recently visited the Reformed Episcopal Church in Victoria. Bishop Browning of Toronto occupying the pulpit. The many friends in the valley of Bishop Browning will be interested in knowing that he will be stationed in British Columbia for the coming year.

George Woodruff, recently residing on the Oliver Road, has purchased property on the Happy Valley Road.

and will shortly be taking residence there with his family.

Mrs. Harry Baxter of "Deerfoot Lodge" was awarded at the Duncan Fair two first and two second prizes in the domestic science section.

The first practice game of basketball of the season will be held Wednesday at 3.30 p.m. at the Happy Valley School grounds, the visiting team being Colwood. The Happy Valley team is made up as follows: Neil McKay (captain), Mary McKay, Edwin Anderson, Wilbur Rhode and Tena McLeod.

A directors' meeting of the Luxton and Happy Valley Women's Institute was held Friday evening at the home of Mrs. John Trace, Sooke Road.

Mrs. Thomas Madders, Glen Lake Road, recently had as guests Mr. and Mrs. J. Higham and the Misses Grace and Lillian Higham of Victoria.

CITY UNABLE TO PLEDGE ITS MORAL SUPPORT

Capt. A. S. Jervis Pleads With
Council Over Film Enter-
prise

Talking Pictures Will
Strangle Movies, Suggests
Alderman Clearhue

A clear-cut refusal to pledge the moral support of the city to his motion picture venture or to any private company of whatever nature, was given by members of the City Council last night to Capt. A. S. Jervis, M.D., who pleaded for the city's backing and a studio site.

The city in the past both had granted free sites and endorsed bond issues, but at no time had it pledged its moral support as to the bona fides or probable success of any company, stated Alderman H. O. Litchfield, chairman of the industrial committee, who made the opening for Capt. Jervis to address the council at his own request.

If he was prepared to organize his company and produce reasonable evidence of his financial backing, the city would do all in its power to co-operate to the extent of a suitable site, he intimated, but in advance of any concrete proposition from Capt. Jervis, nothing could be done and nothing promised.

Remaining until the conclusion of the regular council meeting to meet Acting Mayor P. R. Brown and the aldermen informally, Capt. Jervis outlined his plans in connection with his desire to establish a motion picture studio here. He had spent nine and a half years in Hollywood, he stated, and could produce and market acceptable pictures. He would require between 2,000 and 3,000 workers, at \$5 a day each, and was prepared to invest between \$35,000 and \$45,000 in the venture, if given the city's moral support, and a site.

ENGLISH BACKERS
By moral support, explained Capt. Jervis, he meant that the city should announce that it had investigated his credentials and found him worthy of the task he proposed. If he secured this support he would form his company here, but would secure his money in England. His own portion would come from a reputation annuity in respect to Oetep property destroyed in the war, which he was prepared to capitalize and invest in the venture.

Capt. Jervis was accompanied by his secretary, P. Veniero.
Alderman R. A. C. Dewar asked if Capt. Jervis had taken any steps to form a company.
Capt. Jervis replied that he had not, that he regarded the city's sanction to his plans as the preliminary to company organization.

The city could not give its moral support to anyone and had never done so in the past, stated Alderman E. S. Woodward.

"TALKING" PICTURES
Motion pictures were beginning to be a back number, suggested Alderman J. B. Clearhue, who stressed the fact that talking pictures were fast taking the stage, and would soon be universal, under close proprietary patents.

The city had had a number of motion picture proposals before it, but in each case a concrete proposition had been put forward, commented Acting Mayor P. R. Brown. Here there was neither a company nor anything on which the city could fix to determine what it could do by way of assistance.

He concurred with other speakers in saying that the moral support of the city could not be pledged to private enterprise.

On a unanimous vote the council referred the subject back to the industrial committee, and thanked Capt. Jervis for his representations on which, however, no action was taken.

**LANGFORD HOLDS
HARVEST SERVICE**

St. Matthew's Church to
Celebrate Festival; New
Vicar to Meet Parish

Langford, Sept. 25.—On Thursday morning at 10 o'clock holy communion will be celebrated at St. Matthew's Church. H. B. Allen, the retiring vicar, will officiate.
The Harvest Festival service will be held on Thursday evening at 8 o'clock. Rev. George Payne, the new vicar, will preach and meet the members of the congregation.
Gifts of fruit, flowers and vegetables to decorate St. Matthew's Church for the Harvest Festival services should be taken to the church by 2.30 p.m. on Thursday. Anyone willing to help with decorating will be welcome at that time.

CHOIR PRACTICES
The children's choir practices will be held on Tuesday and Friday evening this week at 8.30 o'clock in St. Matthew's Church.

Galiano
Galiano Island, Sept. 25.—A successful concert given last week in Galiano Hall was arranged by Mrs. Dudgeon and Mrs. A. Scoones. Miller Higgs acted as master of ceremonies, Mrs. Scoones and Mrs. J. Burrill being accompanists. The artists were as follows: Mr. and Mrs. A. Scoones, Mr. Flett, Mrs. Dudgeon, Mrs. Denroche and J. Burrill. Following the concert supper was served by Mrs. Scoones, Mrs. Twiss, Mrs. Bellhouse and Mrs. Denroche. The evening closed with dancing, for which Mrs. Dudgeon, Miss York, Mr. Shopland and J. Burrill supplied the music.

E. Locke and C. Ross, in the slop bucket, were visitors to Mr. and Mrs. Miller Higgs.
Mr. and Mrs. Flett of Vancouver are staying with Mrs. F. York.
Captain and Mrs. E. Georgeson and family of Vancouver are staying with G. Georgeson.
Mr. and Mrs. Miller Higgs have returned home from a visit to New Westminster.
Guests at the Farm House Inn are Mr. Graham, Mr. and Miss Jeffery and Mr. Harrell.

**Bread Making
around the world**

**South West States
Acorn Bread**

IN Arizona and the South West States Acorn Bread is still the native dish. A thin paste is made, sometimes mixed with flour or cornmeal. This is cooked in baskets around and over which previously heated stones are placed until the paste becomes the consistency of mush. When bread is required, this mush is taken up in a specially constructed basket ladle and plunged into a cold running stream. The action of the water causes the loaves to contract and harden. They are then placed on rocks to drain and in a few days become hard and dry and will keep indefinitely.

SUCH primitive methods form a striking contrast to the modern scientific methods of Breadmaking used in the Canadian Fourx Bakeries. Come any Friday and see your Fourx Bread being made.

ENGLISH GIRLS ENJOYED STAY IN VICTORIA

Leave For Nanaimo To-day; Entertained in Saanich and at Crystal Garden

After a very happy week-end visit to Victoria, the English schoolgirls, who have been entertained by the Imperial Order Daughters of the Empire, left this morning for Nanaimo, whence they will turn their faces again to the East on the first lap of their homeward journey. The girls were loath to leave the city, and individually and collectively, through Miss Stewart Galt and Miss Thomson, who are in charge of the party, expressed their enthusiastic appreciation of the many kind-nesses shown them by their local hostesses.

The party left by car this morning for Chemainus, where they will be the guests of the Robert Porter Chapter, I.O.D.E., for luncheon. They will then be met by hostesses from Nanaimo and conveyed north, leaving to-morrow for Jasper Park.

YESTERDAY WAS a busy one for the party. An interesting drive to the Saanich Peninsula included a halt at the Lake Hill winery, where the manager, N. H. Langton, welcomed the girls and showed them over the plant, explaining the various processes by which the loganberries are converted into wine.

Luncheon was served at "Harwood," Deep Cove, the home of Mrs. W. H. Belsion, regent of the Allies Chapter, I.O.D.E., the members of which acted as hostesses at a delicious repast. In the absence in the East of Mrs. Belsion, Mrs. P. A. Bodkin, vice-regent, and Mrs. O. J. Rochford, standard-bearer, welcomed the party in the name of the chapter.

AT BUTCHART GARDENS En route home, "Benvenuto," Tod Inlet, was visited. Mrs. Butchart tendering a hospitable greeting to the visitors, after a ramble through the gardens, which elicited the keenest admiration of the girls, a delicious tea was served in the dining-room, to the accompaniment of the electric pipe organ. Then farewells were exchanged. Mrs. Butchart was warmly thanked for her generous hospitality, and the visitors resumed the return journey to the city.

The day wound up at the Crystal Garden, where the schoolgirls were the guests of the Commodore Broughton Chapter, I.O.D.E., at a swimming party. Mrs. D. B. McCoskine, the regent, welcomed the visitors, and the evening furnished a delightful climax to the day's programme.

BAZAAR TO BUY TWO WINDOWS IN BAPTISTERY

New Cathedral Committee Plan Ambitious Anniversary Exhibition Next Year

Ambitious plans for the seventieth anniversary and exhibition to be held in the Memorial Hall in February next year were made at an enthusiastic meeting held last night. The exhibition is being staged under the auspices of the Young People's and Children's Committee for the new Christ Church Cathedral, and it is proposed to apply the proceeds to the fund for presenting stonework and stained glass in two of the three windows in the baptistery. The third window has been promised by the junior branches of the Women's Auxiliary in the diocese.

Stained glass in the three windows will form one subject, based on Harold Coppings' famous picture, "The Hope of the World." It is proposed to secure the services of one of the leading artists in stained glass in the British Empire for this purpose, so that the design and quality of glass and its execution will be of the best. In this way, the windows will be a work of art, as well as of religious value, and at the same time be an inspiration to young students.

COMMITTEE REPORTS Nine parishes in the city and district were represented at the meeting, which endorsed the report of a committee that had been at work on the proposal during the summer. The chairman of the committee, R. A. Woodson, presided. To divide responsibility for the undertaking, and insure adequate representation from all parishes co-operating, a motion was passed to enlarge the committee to include the clergy of all parishes and missions, Sunday school superintendents, one teacher and two older pupils for every hundred scholars enrolled. Another motion provided for an executive committee, to consist of the chairman, secretaries and conveners of the principal sections in the exhibition and bazaar.

Another proposal adopted called for the organization of a training course for leaders in missionary education, in order that those who would be appointed to explain the exhibits might be well informed of the work and needs of the various countries. Historical exhibits, illustrating life and church work in Victoria in 1859, and subsequent developments, will be a feature. The work among the Indians and among the Eskimos, the work of the Columbia Coast Mission and of foreign missions, will all have their place among the exhibits. There will be an educational section devoted to technical and vocational training, social service, art and music; also a young people's section, reserved for hobbies of various kinds. Plans were discussed for the presentation of suitable plays and pageants. The bazaar will be held in the gymnasium with twelve stalls representing the months of the year. Copies of the programme in detail will be sent out by A. B. Morris, organizing secretary, and Miss Mildred Chow, assistant secretary, who were appointed to these offices last night.

TO GIVE LECTURE ON RACHMANINOFF

Mrs. J. O. Cameron will give an interesting talk on "Rachmaninoff and His Contemporaries" at the opening concert of the Ladies' Musical Club at the Empress Hotel to-morrow at 3.30 p.m. She will be assisted by Miss Wilma Wills, violinist of Seattle, and Miss Arline Falconvitch, pianist, who will give illustrations of the composer's works. The concert, in accordance with the club's new policy, will be open only to club members. The treasurer will be in attendance to-morrow afternoon early to receive membership fees.

Personal Items

Hon. W. D. Ross, Lieutenant-Governor of Ontario, will arrive in the city on Saturday afternoon and will spend a few days at Government House. His Honor the Lieutenant-Governor and Miss MacKenzie will return to Victoria on Saturday morning after a tour of British Columbia.

Mr. Jack Leatham has returned from a two weeks' motor trip to the south.

Mr. and Mrs. E. U. Reid have returned to The Angela after an extended visit to Calgary.

Mrs. Clyde Rutherford has arrived in the city from Banff to join her husband who is in residence here.

Mrs. Hew Paterson has returned to Victoria after visiting Mr. and Mrs. J. R. Waghorn in Vancouver.

Miss Gladys Scott of Devonshire House has left for Seattle to visit her sister, Mrs. Hugh Birch-Jones.

Mr. Bill Crouch returned to town this morning after spending a few days in Vancouver.

Mrs. Frank Bennett of Vancouver formerly of Victoria, will spend the next two weeks in Victoria with friends.

Miss Kathleen Ross left to-day for Vancouver, where she will be the guest of Mrs. C. J. Loewen until Friday, when she will leave for Regina.

Mr. and Mrs. W. Buttar of Vancouver are the guests for a few days of Mr. and Mrs. Malcolm Bell-Irving, who have just moved into their new house on Linkless Avenue.

Mrs. F. B. Pemberton of Mount Joy, Poul Bay Road, will have to-morrow for Vancouver on a visit to her sister, Mrs. Ricardo. She will be accompanied by her grandson, Master Philip Holmes.

Mr. and Mrs. Leslie Sanders of Cogdell, Georgia, are spending their vacation with the former's parents, Mr. and Mrs. Arthur Sanders, of 1597 North Hampshire Road, Oak Bay.

Mrs. R. E. Collis, who has been attending the W.C.T.U. convention at Chilliwack and holidaying with friends in Vancouver, returned to her home yesterday.

Mr. and Mrs. John Wickson, who came over from Vancouver in connection with the Gyro convention, have returned to their home after spending the week-end in Victoria.

Mr. Donald Campbell, who has been spending the summer months with his parents, Mr. and Mrs. D. E. Campbell, Linden Avenue, will leave this week-end for England to resume his studies at Cambridge University.

Mrs. J. B. MacLaren, formerly a resident of this city, but now living in Vancouver, is the house guest of Mrs. F. C. Paterson, Craigdarroch Road. Mrs. MacLaren plans to return to Vancouver at the latter part of this week.

Mrs. Fred Pollard and her daughter, Miss Louise Pollard, of Consuelo Place, will leave for the Empress of Russia on Thursday for a visit to relatives and friends in China and Japan. They expect to return early in the New Year.

Messrs. John Hedley, Terence Holmes, Elliott Player, William Robbins and Donald Watson are among the Victoria boys who left during the week-end to resume their studies at the University of British Columbia.

Among the selections comprising the programme to be given over radio station CJRN at Moose Jaw on Wednesday evening by Mrs. Gordon Paul, composer, will be a song composed by Miss Eva Anderson, daughter of Mr. and Mrs. R. S. Anderson of this city.

SAYS PERIODICAL MEDICAL EXAMS SAFETY MEASURE

Dr. Murray Thomson Addresses Kuntuks on Preventive Measures For Health

Strong advocacy of periodical medical examination as a preventive measure against disease was made by Dr. Murray Thomson, in an interesting address on "Health—A National Asset," before the Kuntuks Club last night. Dr. Thomson is a member of the Canadian Social Hygiene Council, and is spending some time in the city as part of his organization work for the council in British Columbia and Alberta.

VALUE OF PREVENTION Quoting Benjamin Disraeli's remark that "it is the duty of a real statesman to secure the health of a people," Dr. Thomson told of some of the preventive measures which had been instituted by medical science for the safeguarding of health. The ravages of typhoid during the Spanish-American War and the South African War had taken heavier toll of life than had the enemy, but, thanks to medical science, not a single life had been lost through typhoid among the Canadian forces in the Great War.

Statistics showed that 29 per cent of the deaths in the United States were preventable, while in Ontario 34 per cent were preventable, a figure now being reduced by medical science along preventive lines. The speaker pointed to the well-baby clinics as evidence of the beneficial effect of frequent medical examination, the infant mortality rate having been reduced amazingly through these clinics.

Bruce Hamilton, a concert artist and teacher of singing, new to Victoria, charmed the gathering with his artistic interpretation of three songs, with Miss Vivian Mogey at the piano.

VANCOUVER INVITATION At the business session, at which Miss Mabel Cameron, the president, was in the chair, the Vancouver Business and Professional Club's invitation to their annual banquet was read. This will include a banquet at the Hotel Vancouver on Saturday, October 6, with a luncheon at Grouse Mountain Chalet on Sunday, October 7, and other entertainment features.

Miss Bowron, Miss Wigley and Miss McGraw were appointed a committee to look into the whole matter of federation in conjunction with a committee from the Vancouver club, and to report later to the club.

NEW MEMBERS Mrs. Alex. Monteith and Miss M. Woodcock were elected to membership.

Mrs. Thomas, formerly of the Canadian Customs service, and now a resident of the United States, was welcomed last night and made an associate member.

BRIDGE PARTY Plans were made for a bridge party on Saturday, October 13, at the home of Mrs. W. Lloyd Morgan, with Miss Macrae and Miss Taylor as conveners.

The weekly swimming party will be held at the Crystal Garden to-morrow at 7 o'clock.

CLEAN FLEECES BRING PREMIUM

John Moore, Spinner, Tells Round Table of Woollen Industry

The importance of clean fleeces in the production of woollen goods was stressed last night by John Moore, managing director of the B.C. Worsted Mills Limited, in an address before the Knights of the Round Table, at the Empress Hotel.

Mr. Moore pointed out that fleece wool containing foreign matter, is heavily penalized by wool buyers, the processes to extract burs, dirt or other matter being expensive. Despite every care, finished cloth frequently shows foreign matter which has to be removed by keen-eyed inspectors armed with tweezers, he explained.

SPAIN'S WOOL BEST

Mr. Moore told of the many lands whence fleece wool is shipped to the world's spinning centres. He stated that the finest wool comes from Spain, with Saxony, South Africa and Australia also among the leaders in quality. The important part which the banks

Of Interest to Women

NOVIKOFF PUPILS PRESENT BALLET

Fine Performance at Playhouse By Local Dancing School

A performance of unusual artistry and finish, denoting the skilled direction of one well versed in the art of ballet training, delighted the many patrons of the Playhouse Theatre last night when Boris Novikoff, former ballet master of the Imperial Russian ballet, presented his pupils in a spectacular programme. The appreciation of the enthusiastic audience found expression in frequent and continued applause, and many beautiful bouquets were handed over the footlights to the leading dancers at the close of the performance.

From the tiniest tot to the more finished principal, the dancing showed every evidence of sound technique imparted by an expert. Mr. Novikoff himself appeared in two numbers, once as a gypsy beggar and again in the Rose ballet as The Spectre, giving a finished performance on the traditional lines of the best Russian school. Miss Roberta Balcom, a gifted young professional well known to the local stage, shared the honours of the evening, dancing with airy grace.

The programme in detail follows:

THE DOLL SHOP

Saleswoman, Margaret Foyer; First Lady, Joan Bradford; Second Lady, Clodagh Hall; Baby, Virginia Briffitt; Dolls—Drug Doll, Ruth Balcom; Anita Doll, Mlle Carr-Hilton; Gypsy Doll, Nellie Sims; Chinese Doll, Valeria Ellwood; Cupid, Joy Savage; Indian Doll, Mona Jewell; Spring Doll, Gwendolyn Macdonald; Russian Princess Doll, Helen Mawhinney; Acrobat Doll, Betty Clair; Hungarian Doll, D. Borrowman; Spanish Doll, Dolly Tague; Symphonical waltz, Deirdre Horst.

SWAN HUNTING

Scene in the Forest—The Prince, Joan Bradford; Night, Ruth Balcom; Fairy, Doria Jewell; Diana, Mona Jewell; Nymphs, Margaret Foyer, Eileen Newton, Mary Foyer; Swan, Lilian Toye; Swan Mother, Daisy Borrowman; Swan Baby, Nellie Sims.

DANCE DIVERTISSEMENTS

Minuet (Gobelin), Ruth Balcom; Joy Savage; Canadian March, Valeria Ellwood; Lorraine Redgrave; Pierrot and Pierrette, Adelina Grant; Virginia Briffitt; Russian Kozak, Nellie Sims; Lubok (comic dance), Mary Foyer.

TWINS—ALL FOUR OF 'EM—A roundup of twins was held the other day at Albany, Ore., and among those present were the youngest, Bobby and Jimmy Green, aged three months, and the eldest, Mrs. Addie Lee and Mrs. Elsie Gray, twin sisters. Mrs. Lee, also is the grandmother of triplets—but this is a twin story.

MORE STUDENTS AT UNIVERSITY

Eighteen-hundred Mark is Likely to Be Reached For First Time at U.B.C.

Registration at the University of British Columbia this year will probably reach the 1,800 mark, a new record, according to figures for the 1928-29 term released to-day following the opening of the university yesterday afternoon.

To date the total number of registrations is 1,569, including all courses. This is thirty-three higher than the total enrollment last year. About 200 latecomers will probably be included on the university roster before the end of the month.

ARTS AND SCIENCE LEAD

The faculty of arts and science has, as usual, drawn the great bulk of the registrations, enrollment in this section totaling 1,212. Registrations for the applied science courses total 261.

Following is a statement of registrations by years and courses:

Faculty of Arts and Science—First year, 528; second year, 298; third year, 217; fourth year, 169; total, 1,212.

Faculty of Applied Science—First year, 87; second year, 54; third year, 32; fourth year, 28; total, 201.

Nursing—First year, 14; second year, 7; third year, 5; fourth year, 6; fifth year, 3; total, 35.

Faculty of Agriculture—First year, 11; second year, 19; third year, 3; fourth year, 5; unclassified, 6; total, 44.

Graduates—Arts and science, 4; applied science, 1; agriculture, 1; total, 6.

Teacher training course, 55.

Public health nursing, 6.

Occupational course, agriculture, 6.

Solarium Will Commemorate Institute Gifts

The prominent part which the Victoria Women's Institute has played in supporting the Queen Alexandra Solarium at Mill Bay will be commemorated by the erection of a plate somewhere in the institution, recording the women's generosity.

This suggestion was made at a meeting of the Solarium directors yesterday, when they recorded their appreciation of the gift of \$836.20, the proceeds of the tag day recently organized by the women. The institute's request that the money be allocated to some special object will be observed.

Dr. Wace, medical superintendent, reported forty-five children under treat-

ment at the institution, with five awaiting admittance. Correspondence included a letter from the Government granting permission for the admission of a child whose parents live in Tacoma.

The father, who went overseas with the Canadian Expeditionary Force, was demobilized here. His child was born in this city, and it is because of the special circumstances of the case that the Government has consented to her being admitted as a patient at the Solarium.

H. Goulding Wilson, the president, presided at the meeting.

NANCY PAGE

THEY PHOTOGRAPH PETER
WITH HIS PET-PILLOW

By Florence La Gange

Before Peter Page Jr. was born Nancy and Peter had decided upon a number of things. They found that they felt alike on the matter of photographing the baby. "Of course we will want pictures of the infant, and we will want many of them, so that we can trace its growth and keep memories of its cunning poses and ways. But we won't take any pictures of a nude baby. Later on, some one always trots out that baby picture and shows it off as the best idea for a joke. I think the custom is disgusting." Peter was almost vehement on the subject. But Nancy did not object because she felt the same way.

Since they both wanted to have many pictures of the baby, they were delighted with the gift of the kodak in its new colored leather case, which Nancy received soon after the baby was born. Both Peter and Nancy used it on all occasions.

When they wanted a more pretentious photograph, however, they called in a professional photographer. He tried to give Peter Junior an air of ease and naturalness by surrounding him with some of his own pillows. Peter had one little soft "squidgy" one which was his favorite. Nancy always saw to it that it was close at hand when Peter Junior was told to "Look pleasant, please" or to "watch the little birdie."

Your Baby and Mine

By MYRTLE MEYER ELDRED

Mrs. Eldred will be glad to answer all questions pertaining to babies and children. A stamped and self-addressed envelope forwarded to this office will bring a personal reply.

A RELIEF BOTTLE FOR BABY IS HELPFUL FOR THE FUTURE

Water is offered to almost every baby in a bottle. If he takes it, well and good; for he becomes accustomed to the taste of the rubber nipple and how to use it. But it sometimes happens that the well-nourished nursing baby refuses water from a bottle and so lives most of his first year without knowing that there is such a thing. Naturally, when weaning time arrives, he refuses absolutely and with much hubbalooboo to have anything to do with the horrid thing.

These problems could not arise if

mothers would look into the future earlier in the child's life. Unless one wants to continue a habit indefinitely it mustn't become too well established, and as nursing must come to an end before the first year, one must introduce bottle feeding before the baby's condition demands it.

OPPORTUNITY FOR RECREATION AFFORDED MOTHER

And relief bottles do not belie their names. They offer an opportunity for the mother to be separated from the baby for the whole of an afternoon without making the baby pay dearly for her pleasure. Nursing mothers need recreation and the knowledge that

they can get away from the baby if necessity demands is often as comforting as doing it. So even if the mother is at home the offer of a relief bottle occasionally comes as a welcome relief for her and an education in bottle feeding for young son or daughter.

Relief bottles should not be overdone. One every day would hurry weaning, for a lessened demand results in a lessened supply, and that, of course, is to be avoided.

The preparation of this infrequent feeding is not a difficult one. Allow in quantity for one feeding two ounces more than the baby's age in months. Thus the two-months-old child can take four ounces at a feeding; at three months, five ounces; four months, six ounces, and so on.

A half milk and half water mixture is all right for the baby from two months on. This should be boiled for greater safety and digestibility, and one-half teaspoon of sugar (level measurements) can be added for every ounce of milk used. So our two-months-old baby would get in his relief bottle two ounces of milk, two ounces of water and one level teaspoon of sugar.

There are between 150,000 and 160,000 prefects in the United States, and the average number of qualified voters in one of them, is 400.

Victoria In New Pro Hockey League

Players Formerly With Winnipeg Club Will Come To City

Frank Patrick Completes Purchase of Prairie City Club for \$35,000; Part of Team Will Come Here While Remainder Will Play for Vancouver; Two Outstanding Amateurs Have Also Been Signed With New League; Biggest Hockey Deal Made for Coming Season

(SPECIAL TO THE TIMES)

Winnipeg, Sept. 25. — Winnipeg Maroons are going to the Pacific Coast, where the club will be absorbed in the Pacific Coast League this winter.

And now hockey fans the country over know what was behind the recent visit of Frank Patrick to this city. The coast hockey mogul has, in the past, been noted for the sensational deals in hockey ivory that seem to come right out of the blue.

Not a word of his intentions was divulged here after he and W. J. Holmes, owner of the Winnipeg club, had been in conference for several days.

A FINE CLUB

Meantime, representatives from St. Louis, Newark and Tulsa were negotiating for the club, which has on its roster at least three players sought by the N.H.L. and is entirely composed of fast young players of unusual promise.

To-day Mr. Holmes made the flat announcement that the club had been sold intact to the Patrieks, and it is understood the price was in the neighborhood of \$35,000.

It is known that a figure \$5,000 higher was offered by American hockey magnates for the team, but Mr. Holmes intimated that he preferred to deal with the coast Canadian interests and was, in fact, willing to sacrifice something to that end.

Easily the biggest hockey deal of the year, this latest action of Patrick's is comparable to those surprising deals which he negotiated with the N.H.L. interests following the suspension of activity in the old Western Canada League.

AMATEURS SIGNED

It is learned also that two of the outstanding amateurs in the "Big Four" of last year, a league that packed the Winnipeg arena during the playing season, have also been signed by Mr. Patrick.

Thus it is apparent that the Vancouver hockey promoter is determined to give coast patrons hockey of the calibre that for years made the coast league one of the standard organizations on the continent.

It is not suggested, of course, that the Winnipeg club of last season is comparable in quality to the leading clubs of the N.H.L. But it is, actually, faster and capable of better hockey than shown by several of the playing entities in the major groups and composed as it is of players with their hockey future ahead of them it is not at all improbable that, given a season or two in faster company and under expert coaching, they may develop into real major league strength.

The club, it is learned, will not go into Vancouver only. A number of the players will go to Victoria, and necessary additions to round out strong clubs in both cities have already been secured.

The Coast Hockey League will include Vancouver, Victoria, Portland and Seattle. Tacoma has also been mentioned, but may not have a team this year.

YACHT RACES ON SATURDAY

Royal Victoria Yacht Club Will Close Season With Races and Dance

Keen interest is being taken in the "star" and "dinghy" races to be staged on Saturday afternoon by the Royal Victoria Yacht Club. Members of the club will bring a most successful season to a close with the races and a dance in the evening, when prizes will be presented.

In the "stars" the Mintaka, owned by W. T. Barrett, and the Boykin, owned by R. F. Blandy, are even in points, and Saturday's race will decide the winner of the series.

In the "dinghy" class the Puffin, owned by H. M. Hotham; Tern, owned by H. Goby, and the Helen, owned by Miss Lindsay, have all won one race, and the winner of this series will also be decided this week-end.

Tickets for the dance may be obtained from any member of the committee, or the secretary, at 804 Government Street.

FORMER FIGHTER DEAD

Montreal, Sept. 25.—James Clark, in his youth one of the best lightweight boxers that has ever been seen in Canada, and until recent years prominent in local sporting circles, died yesterday at the age of sixty years.

LAWN BOWLING

Representing the recently formed Oak Bay Lawn Bowling Club, Messrs. Barroclough, Colbert, Mills and Sutton visited Hampton Road and engaged a Burnside four in a game on Saturday.

Many men in Oak Bay are equipped to play when a green is available, but in the meantime President Barroclough and Secretary Colbert will be glad to hear from anyone supporting the proposition of a bowling green in the municipality.

President James Renfrew of Burnside, assisted by F. Moules, W. Washington and P. Handly, entertained the visitors to an agreeable game, finishing 58 to 13 in favor of the home side.

TWO TIE FOR FIRST PLACE IN CITY GOLF

Miss Marion Wilson and Mrs. Philbrick Lead Field in City Championship

Leading Women Players of City Shoot Fine Golf; Match Play Starts To-day

Shooting splendid golf Miss Marion Wilson, present champion of British Columbia, and Mrs. B. R. Philbrick, both of the Victoria Golf Club, tied for medal honors in the qualifying round of the women's city golf championship played at the Colwood Golf Club yesterday. They had scores of 85.

Mrs. Hutchison, also of the Victoria Club, was third, one stroke behind the leaders. Mrs. Wilding, of the Uplands, defending champion, was off her game taking a 106 to complete the eighteen holes. She qualified, being two strokes inside the limit.

START MATCH PLAY

To-day the ladies will start match play to decide the champion for the next year.

The Victoria Golf Club qualified eight players, Colwood seven and Uplands two.

The scores were as follows:

| | |
|-----------------------|-----|
| Mrs. Philbrick | 85 |
| Miss M. Wilson | 85 |
| Mrs. Hutchison | 86 |
| Mrs. Boyd | 93 |
| Mrs. Parry | 94 |

SWINGS BIG DEAL

FRANK PATRICK

Famous for his many hockey deals, Frank has just completed another big proposition whereby the entire Winnipeg Maroons formerly in the American Association, come to the Pacific Coast, where the players will be split up between Victoria and Vancouver.

'Peg Lacrosse Team Gains Draw Against Ottawa

Lansdowne Park, Ottawa, Sept. 25.—Winnipeg Wellingtons held Ottawa Emmetts to a 3-all tie in the second game of the Mann Cup series for Dominion lacrosse honors at Lansdowne Park yesterday afternoon. The locals won the opening game on Saturday 8-3, but yesterday's draw necessitated the playing of a third game as the titular series is a two-out-of-three affair.

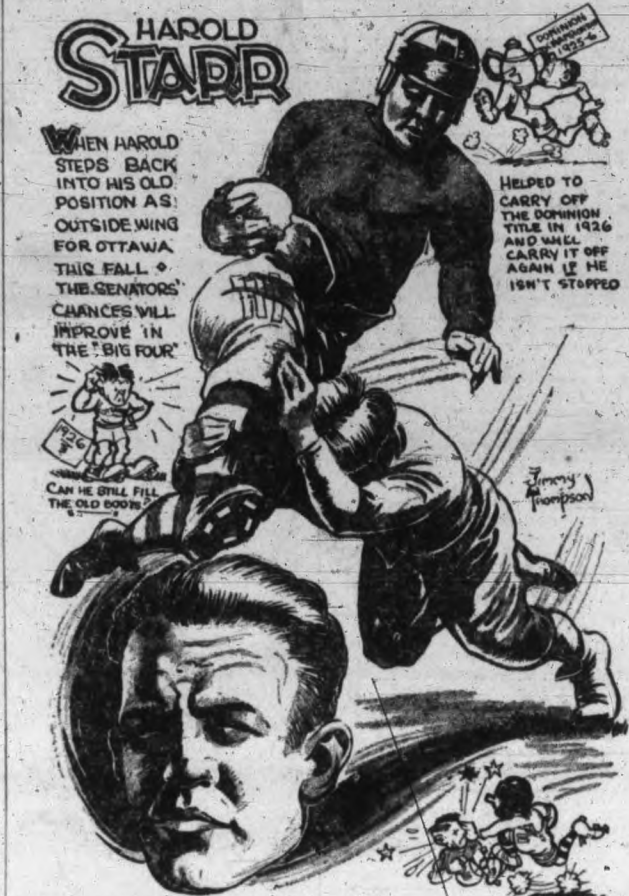

McDUFFER

By BARRIE PAYNE

DOT, THE MISSISSIPPI CLUB HAS PASSED TWO NEW HOUSE RULES—MEMBERS FOUND PROSTRATE ON THE FLOOR FROM OVER-PLAYING THE NINETEENTH HOLE MAY BE LIFTED WITHOUT PENALTY—AND A PLAYER IS DEEMED TO BE "DORMIE" WHEN HE HAS TAKEN EQUALS THE NUMBER YET REMAINING IN THE BOTTLE!

Senator's Fighting Blood By Jimmy Thompson

When Harold Stapp steps back into his old position as outside wing for Ottawa, the Senators, to put it mildly, will make it rough, tough and nasty for the rest of the boys in the group. For Ottawa teams at whatever sport, have a reputation for grit; and if occasionally they taste defeat they at least go down fighting. Witness the final rugby game last autumn between Hamilton Tigers and the Senators. When the smoke and dust finally cleared from the field of battle there were more black eyes, floating ribs and dislocated molars than you would find in half a dozen Tex Rickard's boxing bouts combined.

Basketball Teams Prepare For Season

Team Managers Scouting for Players in Readiness for Opening Early in October; City and Sunday School Leagues Expect Banner Season; Victoria Capitals Gather Together Formidable-looking Team; City League Entries Close Friday

Basketball managers are getting their men out for hard practices and early workouts in preparation for the season which will commence on October 10, and already the players are rounding into shape. This year all leagues will be well represented and some good ball is expected.

A few teams have already entered in the City League, and several more are expected to come in before Friday next, when the entries close.

CAPITALS ENTER TEAM

A new entry in basketball circles this year will be the Victoria Capitals, who have decided to compete in the Senior "A" division of the City League. They have gathered together one of the snappiest teams seen in Victoria for some years.

Johnny Johnson, well-known Victoria athlete, who gained his greatest fame in connection with lacrosse teams, has been selected coach and manager of the team. Cy Paxton will handle the business affairs of the club.

The Victoria Capitals entered sport circles in Victoria this year when they sponsored a baseball team in the newly organized Vancouver Island Baseball League. They caps won this and then went on and captured the Senior "B" championship of British Columbia. Following their success in baseball they have decided to have a fling at basketball.

COLLECTION OF STARS

The Capitals have gathered the whole of last year's Jordan River club, including the following players: Norm Forbes, Art Boyd, Wiloughby, Louis Fast, Jack McKenzie, Art Webster, Waldo Skilling and Tommy Wachter. This collection of stars should go a long way towards coping the British Columbia championship. The only other entry in the Senior "A" class so far is the C.P.S.

It is the intention of the management of the Capitals to bring in outside teams for exhibition games, so, local basketball fans should witness some rattling good games this season.

The Capitals will hold a practice tomorrow night at the Centennial gymnasium from 8 to 9 o'clock.

In the Women's Senior "A" League, the Phiels girls have stated their intention of entering the struggle while the Harmonies last year's winners in the Intermediate "B" class will appear in the Senior "B" company this year. The Crescents will go into action in the Intermediate "A" Men's League and they promise stiff opposition to any team.

NORMAL SCHOOL ENTER

Two aggregations will represent Normal School in the men's and women's

VICTORIA'S Connie Mack Seems Doomed To Suffer Sad Disappointment

Local Canadian Rugby Squad Getting Into Shape For Season's Opening

Younger Players Shaping Up Well; Meet Vancouver Varsity October 6

"With plenty of enthusiasm among the younger crew, Victoria's representative in the 'Big Four' shows great promise and will be in the fight throughout the season," declared Ernie Cook, coach of the United Commercial Travelers' Canadian rugby team yesterday, discussing Victoria's chances of coping the honors.

Although the youngsters lack the experience of the veteran players of last year, the fact that the game is new to them tends to make them all the more eager to make a good showing.

During the past two weeks Ernie Cook has had the boys out every night for two hours' stiff practice in tackling and signal work.

LARGE AND FAST

The forward line is made up of good husky boys and is well supported with a fast group of backs.

Ben McMullan, one of last year's players, will occupy the position of quarter-back, while supporting him in the back division will be Bill Putman, Don Newell, Brian Huxford, Roy Gaunt and Alex Cudlip. Larry Henderson and Cyril Whiteman will be the flying wings. The snap position will be held by Campbell Forbes and Percy Owens. Tiny Watson, Dim Johnson and Bern Kinsman will hold down the inside positions. The middles are Ron MacLeod, Jos McAllister and Bill Lem. Roy Pratt, a new arrival from the East, will play outside wing assisted by Slim Hanley, Jack Horne and Ed De Blaquiere.

Only two more weeks are left before Victoria plays its first game with the University of British Columbia on October 6, and all the players are requested to turn out every night at the Royal Athletic Park at 5.30 sharp.

MISS ORCUTT WINS HONORS

Clicks Off 80 to Capture First Place in United States Golf Championship

Cascade Golf Club, Hot Springs, Va., Sept. 25.—A score of 80 won the medal in the qualifying round of the Women's National golf championship yesterday, but a total of 91 furnished the excellent Miss Maureen Orcutt, Englewood, N.J., player, took the low score honors early in the day, when she came home in 39 after going out in 41, a count good enough to win the medal by two strokes.

Mrs. C. Kyrle Bellow, the last to qualify, occupied the centre of the stage with the spotlight on full. Few 91's have been so interesting in a golf tournament championship. Mrs. Bellow, playing in her first championship, compiled a par four in a most businesslike manner at the treacherous eighteenth green, protected by deep blue water, to slip under the wire as the thirty-second player to enter the match play grind to-day.

Two strokes behind Miss Orcutt was Miss Kathleen Wright of Pasadena, California, whose 37 coming in was four under par and the best nine of the day. Mrs. Lee W. Mida, Chicago, took one more stroke than Miss Wright needed. Five well-known golfers: Mrs. Dorothy Campbell-Hurd, Mrs. Miriam Burns Tyson, the champion, Miss Virginia Van Wie, Miss Glenna Collett, and Miss Virginia Wilson, the Canadian champion, had scores of 84.

In the match play beginning to-day when the field will be reduced from thirty-two to sixteen, Miss Orcutt, Jack Taylor, runner-up, Miss Cummings, Mrs. Hurd, Mrs. Freasler, Miss Van Wie, Mrs. Hill, Mrs. Mida and Miss Collins are in the upper bracket; while the lower bracket contains among others, the champion, Mrs. Tyson, Miss Wright, Mrs. Stetson, Miss Turpie, Miss Wilson and both the Canadian entries, Miss Virtue and Miss Page.

When all entries have been received the Victoria and district league officials will map out a schedule for the season and the league will get under way early in October.

Athletics Missed Another Golden Opportunity to Pick Up Game When Yankees Lost to Cleveland 5-4; But Athletics Dropped One to St. Louis 6-2; Philadelphia's Chances Now Mighty Slim; Giants and Cards Keep Pace by Wins

Connie Mack, that baseball veteran, has had a bitter disappointment or two, but not to be compared with that of 1928, which seems to be in store for him. To fail at the very edge of splendid triumphs will cause Connie more grief than he knew when his Athletics were chronic tail-enders. And fail it seems the 1928 Athletics must. Connie built this year with the utmost diligence, carefully blended veteran experience with fiery youth; so that the qualities of both were used to the best advantage. That product of his genius battered away to the top of the league, only to slip back after a tenure of only one day. Since that late series with the Athletics, the New York Yankees, when the Athletics lost three out of four, they have had a number of opportunities to overhaul the leaders only to fail at the most critical moments.

TO STAY AT U.B.C.

Take yesterday, for example. Walter Miller, tricky left-hander of the Cleveland Indians, set the Yankees down with five hits and beat them 4-3. Presented with a golden opportunity to cut the Yankees' two-game lead in two, the Athletics instead were beaten by the St. Louis Browns 6-2, leaving the relative standing of the two clubs unchanged. It was the second time in three days that the Athletics passed up an opportunity to gain. With only five games more on the Athletics' schedule and six for the Yankees, Connie's chance of winning his first pennant since 1914 seems slim indeed.

For the third time in the present western trip, Connie again failed the Yankees. He started against Cleveland, but was pounded for all three runs before he could be removed in the middle of the sixth inning rally. Lefty Heimach finished. Alvin Crowder hung up his twentieth victory of the year at Athletics' expense, giving them only four hits, three of which came in the ninth and scored the Athletics' two runs.

Jack Quinn was the victim of bunched hits in the sixth and seventh innings.

SENATORS FOURTH
The Washington Senators took undisputed possession of fourth place in turning back the Chicago White Sox 8-4. The Boston Red Sox found Sam Gibson for only five hits, and Detroit won 8-0.

Meanwhile, St. Louis Cardinals held their one-game lead in the National League by beating Brooklyn 9-2, while the New York Giants home-ran their way to a 7-4 victory over the Cincinnati Reds.

Old Pete Alexander kept Brooklyn batters subdued all day, while the Cardinals were ripping three Dodger pitchers for fourteen hits, including Jim Bottomley's thirty-first homer of the year. That drive, with none on in the fifth, gave Bottomley the league lead, his nearest rival being Jack Wilson of the Chicago Cubs, who has hit 127.

FLOCK OF HOMERS
All of the Giants runs were made on homers. O'Doul getting two, while one each for Ott and Jackson. Jackson's came with two on in the eighth and broke a tie that existed at the moment. O'Doul's home run, Ray Kolp pitched well, outpitched Benton in fact, but those long hits enabled the Giant red-head to record his twenty-third homer.

The Cubs retained a small chance to win the pennant by trimming the poor old Phillies 7-6. The Pittsburgh Pirates took the first game of a double-header from the Braves 3-1 in ten innings, but were beaten in the second, 4-2.

MARATHON TO BE RUN IN NOVEMBER

A \$100 perpetual challenge cup has been offered for the winner of the Grandview marathon which will take place at Grandview Park, Vancouver, on Monday November 12. A ten-mile course has been planned for the runners.

In addition to the challenge cup the winner will receive a gold watch as well as those who come second, third and fourth, while runners finishing fifth and sixth will be awarded gold medals. Those wishing to compete should file their entries with A. G. Holmes,

1081 Commercial Drive, Vancouver, giving their full names and addresses as well as the name of the club with which they are affiliated.

The race has been sanctioned by the British Columbia Amateur Athletic Association and a good number of first-class runners are expected to compete in the event.

GIFT TO TREASURY

London, Sept. 25.—An anonymous contributor, believed to be an American, yesterday gave the British Treasury \$15,000 in United States Steel 5 per cent bonds, to help pay interest on the British debt to the United States. Winston Churchill, Chancellor of the Exchequer, expressed appreciation of the "spirit which inspired the gift."

SEES REMEDIES FOR MARKETING

Hon. Wm. Motherwell, Back From European Tour, Tells Results of Observations

Ottawa, Sept. 25.—Farming methods, co-operative marketing, the condition on arrival and the market and demand for Canadian agricultural products were closely investigated by Hon. William Motherwell, Minister of Agriculture, in the course of an extended tour abroad, from which he has returned. Mr. Motherwell visited England, Scotland, Ireland, Wales, Holland, Sweden, Germany, Belgium and France. He was Canada's representative at the World Dairy Congress in London and one of the chief speakers.

The Minister stated that as a result of his 7,000-mile trip he found that there were remedies which may be applied in the marketing of some Canadian agricultural products that will enable them to take a foremost part in the markets of the world.

The acting secretary sketched the progress of Rhineland evacuation and the problem of reparations arising out of the conversations between Great Britain, France and Germany.

It is understood that the much debated subject of the Anglo-French amendment was also discussed but the

CITY COUNCIL TO SEE ELEVATOR

Acting Mayor P. R. Brown and aldermen of the city will be conducted over the Panama Pacific elevator at Ogden Point in an official tour this week. Wednesday at 2 p.m. is the time tentatively set for the visit to the almost completed steel storage house.

Cabinet left it behind a ministerial veil of silence.

FIVE C'S WORKOUT

Members of the Five C's first division soccer club are requested to meet at the First Presbyterian gymnasium tomorrow evening at 9 o'clock when a workout will be held.

St Andrew's Lose To Mets But Win From Parkersiders

The St. Andrew's Tennis Club held two very interesting tournaments during the past week. On Saturday afternoon the Metropolitan Church Club were visitors at the St. Andrew's courts, when some very fine games were played. In the mixed doubles the two teams were evenly matched, the visit-

ors taking thirty-seven games and the home club thirty-five games. The Mets gained quite an advantage in the men's doubles, winning thirty-six games against the St. Andrew's score of twenty-six games.

In the ladies' doubles the visitors also gained the verdict by twelve games to eight.

The grand total for the afternoon was as follows: Metropolitan eighty-five games, St. Andrew's sixty-nine. On the Quadra Street courts the St. Andrew's Club met the Parkside Club and were successful in coming away with the honors after a fine afternoon's play.

The scores follow, with the Parkside players being mentioned first in each case:

MEN'S DOUBLES

Gray and Harris lost to Erickson and King, 4-7.

Warburton and Turner lost to King and Hurn, 5-6.

LADIES' DOUBLES

Miss Knapton and Miss Sullivan lost to Miss Widdowson and Miss Boyce, 4-7.

Miss Warburton and Miss Barlow lost to Miss Wiley and Mrs. Holder, 3-8.

MIXED DOUBLES

Miss Sullivan and Turner lost to Miss Widdowson and W. Erickson, 2-9.

Miss Knapton and Warburton won from Miss Boyce and Hurn, 6-5.

Miss Warburton and Harris won from Miss Wiley and Erickson, 6-5.

Miss Barlow and Gray lost to Mrs. Holder and J. King, 4-7.

The total scores for the afternoon was: St. Andrew's fifty-four games, Parkside thirty-four games.

Donoghue Rides Winner; Creditors Discuss His Debts

London, Sept. 25.—Steve Donoghue, noted jockey, rode Taming Master to victory in the first race at Leicester yesterday, while his creditors considered what to do with debts amounting to £4,625, approximately \$23,000.

It was disclosed at the meeting that Donoghue, who for ten years was England's leading jockey and the record holder for Derby winners, is now riding for three guineas (about \$15) per mount, with two guineas additional for a winner.

The official receiver said that Donoghue had agreed to hand over half his earnings for the benefit of his creditors.

It is understood that Donoghue attributes his recent non-success to an accident which he suffered in the Grand Prix in 1925, and his bad financial position to the fact that he has been a very good friend to others.

Grogan is Winner Over Sammy White

New York, Sept. 25.—Tommy Grogan, hard punching Omaha lightweight, eked out a fairly close ten-round decision over Sammy White, New York negro, at Dexter Park last night.

White hit the floor four times during the bout, but during a good part of the fray was clearly a puzzle to the

You never give your Gillette the same job twice

It's not the same face you lather every morning. Sometimes it's firm—you're feeling great. Other times, it's drawn and taut—you've had a bad night. And the lather varies. You're rushed, every minute counts. Your face is only half prepared. What a job for a razor. Once in a while you take your time; lather for two or three minutes. You're good to your face and your razor. What a difference!

But, you can always get a smooth, comfortable shave from a Gillette Blade. Conditions may vary. Gillette Blades never. Gillette insures that by its system of inspection. Of every nine people at the Gillette plant, four are blade inspectors, highly skilled to detect the slightest variation from Gillette standards of quality.

PARDONABLE LUXURY

The extra luxury of shaving with the New Improved Gillette Razor is every man's right. The Gillette Blade is at its best in this finely balanced, precision instrument. Ten models, \$5 to \$75.

The New Improved

Gillette
SAFETY RAZOR

\$5 to \$75

To be sure of a smooth, comfortable shave under ANY conditions, slip a fresh Gillette Blade in your New Improved Gillette.

GILLETTE SAFETY RAZOR CO. OF CANADA, LIMITED, MONTREAL

129

Western. Except for a knockdown in the fourth round, White was Grogan's master in the first six rounds, after which the tide of victory clearly turned to Grogan. It was the first time White had ever fought for more than six rounds and he tired badly. He went down twice in the eighth and once in the ninth, each time for a count of nine, but did not appear to be badly hurt.

When the decision in Grogan's favor was announced a few fans booed, evidently believing that the negro was entitled to a draw. The weights were: Grogan, 137½; White, 137½.

Volomite Captures Kentucky Futurity

Lexington, Ky., Sept. 25.—Thomas D. Taggart's Volomite, driven by W. H. Lee, won the \$2,000 Kentucky Futurity for two-year-old trotters here yesterday at the opening of the Grand Circuit racing.

The Good Time Stable's Walter Dear won the first heat and second money. Walter Dear's time of 2:06½ was the fastest of the year for two-year-old trotters.

Claude Ludington's Dewey McKinney won the Walnut Hall Cup from a good field with High Noon second.

Five Killed In Crossing Crash

Glendive, Mont., Sept. 25.—Five persons were killed in a crossing accident at Yakes, just west of the North Dakota line, when the car in which the parties were riding was demolished by No. 7, the westbound local passenger train. The dead, all of Sentinel Butte, N.D., are: Mr. and Mrs. Joe Cook and infant daughter; Mrs. Gertrude Northrop, mother of Mrs. Cook, and Mrs. Northrop's youngest daughter, Geraldine.

DRINKS POISON AS SLEEPING DRAUGHT

Nice, France, Sept. 25 (Canadian Press Cable via Reuters).—Wilson Grey Crothers, a Canadian, was found dead in bed at the Chateau du Mont Saint Jean at Antibes, on Sunday. Police officers state that he died as the result of drinking a disinfectant which they believe he took in mistake for a sleeping draught.

The body was discovered by a charwoman who entered Crothers's room after failing to receive a response to several knocks at the door.

Italy and Greece Friendship Pact

Rome, Sept. 25.—Premier Venizelos of Greece and Premier Mussolini signed the treaty of friendship, conciliation and arbitration between Greece and Italy at Chigi Palace Sunday morning. The two statesmen discussed at length all outstanding questions of policy affecting the Mediterranean situation.

Mussolini gave a banquet in honor of the Greek statesman.

One Year for Liquor Thieves

Grand Forks, Sept. 25.—Pleading guilty to robbing the Government Liquor Store at Greenwood in June, Willis Judd and Muriel Lee, were yesterday sentenced to twelve months.

Greater Tariff Is Republican Promise

Cheyenne, Wyo., Sept. 25.—Assurance of greater tariff protection by the Republicans was given yesterday by Senator Curtis, the Republican vice-presidential nominee, in an address here.

He asserted the Democrats were prepared to revise the Tariff Act along the lines of the Underwood Bill of 1913.

SMITH ALLEGES CORRUPTION BY REPUBLICANS

Treason, Crime and Intrigue Charges Made By U.S. Presidential Candidate

Helena, Mont., Sept. 25.—With such blunt terms as "treason," "official corruption" and "crime" and "intrigue," Governor Smith last night assailed the Republican administration of national affairs since 1920 and declared the Republican party could not dodge responsibility for the oil lease frauds and other acts of wrongdoing.

The Democratic presidential nominee again sailed into Herbert Hoover, warning that his opponent during the last seven-and-a-half years in the cabinet, Smith asserted that no one in the United States knew better than he the "real" record of that period.

"You can search the record from one end to the other," Smith told the crowd packed into the Shrine Temple and those throughout the nation listening in by radio.

"You can examine it in the minutest detail and you will find to find to a single word of condemnation on his part."

"On the contrary, in his speech of acceptance, let us see what he said about the last seven-and-a-half years."

"The record of seven-and-a-half years constitutes a period of rare courage and leadership and constructive action."

"Does he want the American people to believe that that record means moral courage or constructive leadership?" Governor Smith asked. "I don't think so."

Montana Pilots Killed In Crash

Miles City, Mont., Sept. 25.—John Nockels of Billings and Robert Moore of Wolf Point, pilots, were killed here last Sunday afternoon when their monoplane, a plane participating in the dedication of a local airport, crashed about two miles east of the field.

Both men were badly crushed.

NEGRO PASTOR IS RELEASED ON ARMS CHARGE

Winnipeg, Sept. 25.—Rev. E. Hale McDaniels, colored pastor of the African Methodist Episcopal Church here, was freed of a charge of being an alien in possession of arms brought by one of his church members in police court yesterday. He told the court that the revolvers were left with him by roomers in his house as security for unpaid board.

Who Is Your Skinny Friend, Ethel?

Tell him to take McCoy's Cod Liver Extract Tablets for a couple of months and get enough good healthy flesh on his bones to look like a real man.

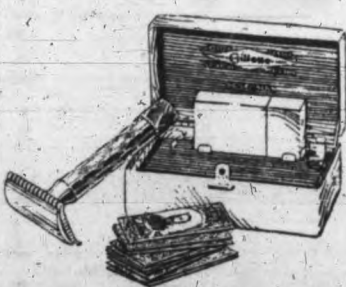

Tell him, it's the only way to take those grave-like hollows from his cheeks and neck.

Tell him that thousands of thin, puny, peaked, scrawny men all over America have improved their physical health and appearance and bless the day they first heard of these wonderful sugar coated tablets so full of weight producing and health building essentials.

Ask for McCoy's Cod Liver Extract Tablets, MacFarlane Drug Co., Vancouver Drug Co., Oxy Drug Co., and every druggist sells them—60 tablets—60 cents—economy size \$1. Almost any thin man or woman can put on five pounds of healthy flesh in 30 days if your money will be refunded.

One woman put on 15 pounds in six weeks. Children grow robust and strong—feeble old people feel younger in a few weeks.

PLANS MADE FOR ST. MARY'S CHURCH HARVEST SUPPER

Metehosin, Sept. 25.—A well-attended special meeting of the Women's Auxiliary of St. Mary's, held at the vicarage on Thursday afternoon, completed plans for the harvest home supper, to be held on Tuesday, October 9, at 7 o'clock. Mrs. H. M. Bolton, Mrs. F. A. Osborne and Miss Chegwine were appointed as a committee to take

charge. Rev. Robert Connell will deliver one of his popular addresses. Anyone wishing to donate cooked food for the supper and unable to deliver it to the hall is requested to notify Mrs. F. A. Pearce, telephone Belmont 167, who has kindly offered to collect these and deliver them to the hall. Everyone is requested to take their own knife, fork and spoon. Tickets can be obtained from members of the church committee.

The regular meeting of the Women's Auxiliary of St. Mary's Church will be held at the vicarage on Thursday afternoon.

CITY ENLARGES ITS HOLDINGS

Large Block in Crystal Garden Area Taken in Exchange

Victoria's First Retail Water-front Gasoline Service Station Approved

The city will acquire title to a large block of land to the northeast of the Crystal Garden through a transfer effected last night by the City Council with the Douglas estate, owners of the property. Three lots owned by the city on Rockland Avenue will be traded for the new estate, which has a frontage of 116 feet on Blenheim street, with an average depth of 200 feet.

The value of the properties on the assessment roll were similar, both in the neighborhood of \$4,000, it was stated by Alderman R. A. C. Dewar, chairman of the lands committee.

The new property will be added to the city's holdings in the Crystal Garden block, where the C.P.R. holds a twenty-year lease of the property, dating from January, 1925. The exchanged parcel may be added to the leasehold of the C.P.R. if the city wishes to make that concession, and would then extend the garden grounds to the north-east of the present limits. The property lies immediately to the south of the church property at the intersection.

OTHER TRANSFERS

Other property transfers ratified by the Council last night included a city lot on Richmond Avenue for road frontage space on Grant Street, near the High School, now only twenty feet wide. Preliminary readings were also given to a by-law by which the city would adjust title registration difficulties in connection with property held by M. E. Cannan.

One of the last lots in the Fairfield district that is city-owned, lying on the north side of Leonard Street, was sold to a Victoria buyer for \$800 cash, its list price.

In a routine agenda the Council authorized a sewer connection on Mount Stephen Avenue, between Acton and Ryan Streets, to cost \$250.

TO MOVE FENCES

Nine property owners between Summit and Topaz Avenues will be notified to move back their fences, to make way for a lane in the rear. The owners mentioned were named, and included John H. Black, James Anderson, Walter Clark, Ethel Robinson, E. Pollock, the R.C. Land and Investment Agency, G. E. Cooper, David Anderson, and J. H. Bennett.

No funds are available for the improvement of Douglas Street between Belleville and Elliott Streets, the city will inform the proprietors of the Glenchiel Inn, asking for street improvements there.

The Council went on record in approval of the application of the Victoria Machinery Depot for two water lots adjoining the existing wharves of the company, and the use of which is sought for dock improvements.

The city will resist a damage claim by Mrs. Helen Walker of 544 East Street West, Vancouver, for \$67, for injuries sustained when she fell on a city sidewalk. Alderman E. S. Woodward would have made a compassionate settlement, in the sum of \$40, but the Council voted to follow the solicitor's advice in refusing liability for the claim.

The Council approved of the payment of \$4,500 to the Victoria and Island Publicity Bureau, in final settlement of the annual grant for the year.

WATERFRONT GAS STATION

An application by the Victoria Petroleum Company for leave to install a waterfront gasoline service station at the Walter Walker coal wharf was approved, when it was explained the service would act as a filling station for water craft.

L. E. Gower and John Baxter were appointed commissioners for taking the declarations of householders for the municipal voters' list.

Langford

Langford, Sept. 25.—Miss Florence Keeley of Vancouver is visiting Mrs. A. McCrimmon of "Rustic Holme," Langford Lake.

Mr. and Mrs. Smallwood, from England, have purchased "Holly Bank," Langford Lake, from Mr. and Mrs. A. B. Cuthbertson, and will reside there in the near future.

Mrs. Woodcock of Vancouver is the house guest of Mrs. E. Coucher, Island Highway.

Keith R. Brown of Winona Lodge is spending the week-end with Garth Griffiths at Pike Lake.

Mr. and Mrs. Milton Aikman, who have been living on Dunford Road, have left to reside at Luxton.

Mr. and Mrs. George Smith from Dunford Road have moved to Colwood.

Colwood

Colwood, Sept. 25.—The regular meeting of the Colwood Women's Institute will be held Wednesday afternoon, September 26, at 2:30 o'clock.

At a recent meeting of the hall committee, tender for the interior finishing of the hall were discussed and the work placed in the hands of T. Fairall, whose tender was accepted on the recommendation of the building committee.

Woman Hacked To Death For Wedding Dowry

Spokane, Sept. 25.—Mrs. Catherine Clark, divorcee of Boston and San Francisco, was hacked to death during the night on which she expected to be married, and the motive was the robbery of \$1,400 which she was thought to have carried with her, police said they believed yesterday.

Officers said they thought she had been lured here through a matrimonial bureau, to marry a man who never existed.

Archibald F. Moore, millworker, at whose house the woman had been staying, was held in jail without bail, while his "unsatisfactory" story was examined by police who refused to divulge what he said.

REAL ESTATE HOUSES, LOTS and ACREAGE FOR SALE

ACCOMMODATION FOR VISITORS

FOR THE WINTER MONTHS WILL probably command good prices this season. We have a very large house on the waterfront, at the corner, with over two acres of grounds, that lends itself very well as a guest house. A few hundred dollars will put it in excellent shape. Next summer it would make a fine auto camp. We will sell this at a very low price and give very easy terms. See us about this. It is vacant now.

THE ROYAL TRUST COMPANY

Real Estate Department
Belmont House Victoria

NEW STUCCO BUNGALOW

\$3350—5000 CASH. BALANCE AS RENT. Entrance hall, large living room with open fire and built-in, bedrooms, bathroom, kitchen, with built-in cupboards, 3-piece bath, stairway to attic with ample space for two more rooms. Stucco finish, good lot, nicely fenced, well located, 4-mile circle. Ready for occupancy. Why look for a place to rent? LEE, PARSONS & CO. LIMITED

Will Raise Money By Selling Photos

Photographs of the new cathedral, now under construction, and of the south aisle at the time of last Sunday morning's service, have been presented to aid in securing the small balance required to complete the gift of the children's arch. Copies may be seen and obtained at the Memorial Hall, Vancouver Street. In response to repeated requests, additional photographs of the robin's nest have been made and also copies of a poem, whose anonymous author was attracted by the story of the bird and the decision of the builders to make a model in stone of the robin on its nest, and place it above the capital of the "robin's pillar."

NEWS IN BRIEF

Jacob Chipps, Indian, was fined \$25 in the city police court this morning for having an intoxicant in his possession, contrary to the Indian Act.

Rev. Allan Crabtree will hold special services at the Gospel Tabernacle, Yates Street, every night this week at 8 o'clock in connection with the Christian Missionary Alliance of which Rev. Daniel Walker is pastor.

G. B. Muriel was fined \$5 in city police court this morning for failing to produce his driver's license upon request of a police officer. Anthony Easton was fined \$5 on a similar charge.

NIGHT SCHOOL CLASSES ARE NOW ENROLLING

Comprehensive List of Special Subjects to Be Taught

Fine Arts, Engineering and Matriculation Added

Enrollment for the evening technical classes, to open at the High School on October 1, is proceeding apace at the offices of the City School Board. The classes will continue from October 1 until March 31, 1929, and include a comprehensive list of subjects. W. H. Birns, supervisor of technical education, is in charge of the work. With few exceptions the classes will be held on Monday and Thursday evenings.

PROVINCE SELLS BIG BOND ISSUE

British Columbia Obtains High Price For \$6,000,000 Refunding Issue

British Columbia has sold an issue of \$6,000,000 of twenty-five year 4 1/2 per cent. bonds at a price to the province of 4.91 per cent. it was announced today.

The issue was disposed of privately through the Canadian Bank of Commerce, the Dominion Securities Corporation, Wood Gundy and Company Limited and A. E. Ames and Company Limited.

THE ACROFT ELECTRICAL MACHINERY COMPANY LIMITED has been awarded the sub-contract for the electrical work involved in the remodeling of the north wing of the Empress Hotel. In addition Acroft will supply the new electrical fixtures to be installed throughout the hotel. The work and fixtures involve an amount of nearly \$15,000. W. D. Burnett has the general contract for the renovation.

A claim for \$65 for work done on a plastering and lathing contract is the subject of a suit opened in County Court today between Savident and Thomas and W. Burgess. E. V. Finland appears for the plaintiff and F. H. Leighton for the defendant. Hearing is proceeding before Judge Hampman. At the close of the action hearing will re-open in the action R. V. Winch and Co. versus A. S. Averill, an action for commission on the transfer of property.

Finland appears for the plaintiff and F. H. Leighton for the defendant. Hearing is proceeding before Judge Hampman. At the close of the action hearing will re-open in the action R. V. Winch and Co. versus A. S. Averill, an action for commission on the transfer of property.

A tinted engraving of the Sydney and Melbourne Steamship Company's ship Pacific, which ran from San Francisco to Victoria—until she sank as the result of a collision outboard from the Straits on November 7, 1875—is being sought by the Art, Historical and Scientific Association, a report from the curator of the Vancouver City Museum stated. Much interest was recently created in this disaster when a local paper reprinted the story of the wreck, from which only two people were saved.

C.G.I.T. Opening Supper—On Friday evening about forty girls and leaders sat down to supper in the church parlors at Victoria West to mark the opening of the C.G.I.T. year. The tables were daintily decorated and bountifully filled. After the sing song, the senior group conducted the devotional period, led by the president, Miss Olive Barker. Mrs. W. Graham spoke to the girls on "The Challenge to the Girls of To-day," bringing to them a real message. The work this year is under the able direction of Mrs. Wm. F. Perry. There are four groups, similar to those of the C.G.I.T. in other cities: Miss L. Watson; chums, Miss S. McKel; glees, Mrs. G. Guy; Joy, Mrs. Perry. Girls and leaders are looking forward to a year of real work and enjoyment.

VICTORIA BECOMING POPULAR AS WINTER RESORT THIS YEAR

As manifestations of the interest being taken in Victoria as a winter resort, requests have been received at the Publicity Bureau from the Southern Pacific Railway Company for pictures of the city to be used in an advertising drive designed to induce Americans to spend the winter here. Newspapers in the United States also have made requests for pictures to be used for similar purposes.

Statistics further show that while in former years the majority of prairie people went to California during the cold season they are now journeying to the British Columbia coast instead.

Gibraltar, Sept. 25—Commander J. C. J. Soutter, commanding the British Mediterranean destroyer flotilla, was found guilty by a court-martial yesterday of responsibility for the grounding of the destroyer Splendid, near Malaga. He was sentenced to be severely reprimanded.

OBITUARY

Funeral services were held at the Thomson Funeral Home, 1625 Quadra Street, yesterday afternoon for Mrs. Ann Young, who passed away at an early hour Saturday morning. Rev. F. A. Ramsey conducted the service, during which the hymn sung was "Abide With Me." Many friends were present and beautiful floral tributes covered the casket. W. F. J. Green, C. Ellis, H. A. Sherwood and Frank Cody acted as pallbearers. The remains were laid to rest in Royal Oak Burial Park.

TO COMMEMORATE LATE DR. CLAY

Ontario Church To Be Named After Late Moderator

The memory of the late Rev. Dr. W. B. Clay, former Moderator of the General Assembly of the Presbyterian Church in Canada, is to be perpetuated in Chalk River, Ontario, by the erection of a Presbyterian Church, to be named after him. The church is to cost about \$8,000 and will be ready for dedication on November 18, according to The Pembroke Standard and Observer.

The decision to name the church after the late Dr. Clay was made at a recent meeting of the congregation. W. Brown, the student minister, organized the congregation and preached the first sermon on the first Sunday of Dr. Clay's moderatorship, hence the decision to make the new edifice a fitting monument to his memory.

PROVINCE SELLS BIG BOND ISSUE

British Columbia Obtains High Price For \$6,000,000 Refunding Issue

British Columbia has sold an issue of \$6,000,000 of twenty-five year 4 1/2 per cent. bonds at a price to the province of 4.91 per cent. it was announced today.

The issue was disposed of privately through the Canadian Bank of Commerce, the Dominion Securities Corporation, Wood Gundy and Company Limited and A. E. Ames and Company Limited.

FOR REFUNDING

The issue of \$6,000,000 will be for refunding purposes only. The proceeds earmarked for redemption of \$500,000 of Pacific Great Eastern Railway temporary notes, \$1,500,000 of University of British Columbia short term treasury certificates and \$4,000,000 of war-time issues carrying a five per cent. These issued all mature in November next.

Members of the syndicate placing the issue expressed pleasure with the success of their efforts, the more noteworthy in view of the recent efforts to secure anything approaching a five per cent. price for recent offerings. Ontario had just been in the market and paid better than five per cent on a loan.

POULTRYMEN TO FORM EGG POOL

Many Sign Contracts For Central Selling Agency

Poultry raisers of Saanichton last night at Saanichton Hall to discuss formation of a Province-wide egg and poultry pool. C. H. Borden occupied the chair.

W. A. Landreth of Winnipeg, president of the Manitoba pool, reviewed the terms of the proposed contract and estimated that members of a British Columbia pool would receive eighty-five per cent of the sales price received by the pool.

NEW EAGLEROCK PLANE IS SEEN

Machine For Use in Yukon Is Demonstrated Here to B.C. Airways Officials

Victorians who are in the habit of watching the planes fly from the B.C. Airways Limited aerodrome at Lansdowne Road were yesterday afternoon treated to a display by the latest type of Alexander Eaglerock biplane. This machine was brought over by Vancouver for the day and has proceeded to Whitehorse, where it will be used by the Yukon Airways and Exploration Company.

PERFORMS WELL

"It certainly performed wonderfully," said Mr. Eve. "There is all the power you want in that motor. In speed tests which we made I watched struts and guys carefully and there was no sign of strain."

The plane was constructed at Colorado Springs, Colo., and weighs 1,500 miles to Vancouver by Pilot Peterson and Mr. Wann, stopping en route at Denver, Cheyenne, Salt Lake City and Seattle.

CHINESE FACES STEALING CHARGE

Lum Lee Arraigned in City Police Court; Case Is Adjudged

The case against Lum Lee, charged with stealing several articles from the Bell Hotel, was brought in City Police Court this morning pending decision of the defence counsel regarding introduction of evidence.

K. C. C. appeared for the accused, stating Lee would stand trial in higher court.

BIKE-RIDING MIGHT BECOME MORE POPULAR HERE IF PROTECTION GIVEN RIDERS

Is there any good reason why cycling as an exercise and a diversion should not be more widespread and popular in this country than it is at the present time? asks The Toronto Globe.

Most of us can remember a time when the bicycle was a pleasant and healthful means of escaping from the city into the country highways and byways. There is no doubt that cycling would be just as prevalent to-day were there provision made for the safety of cyclists on our roads. That, in a word, is the only thing needed to bring the pastime back into vogue.

POPULAR ACROSS ATLANTIC

In England and on the Continent cycling is still a popular sport, and as numerous as well as the little leather saddle, we are told. Women ride fearlessly. No fewer than 6,000,000 cyclists have been listed in England by the Touring Club. It is getting ready to celebrate a golden jubilee in June. A feature is to be a relay race around England, Wales and Scotland. At the finish, on the birthday of the Prince of Wales, who rides a bicycle himself, there will be a distribution of prizes.

LAKE HILL CARD PARTY

Fourteen tables were in play at the usual card party held on Monday evening under the auspices of the Lake Hill Women's Institute in the Community Hall. Three tables with twenty-five discs tied for first honor, and after cutting prizes were awarded as follows: First table, Mrs. Barclay, Miss Douglas, Mr. Peden, Edwin Carlow; second table, Mrs. Kirkham, Mrs. Knowlton, Mr. Simpson, Mr. Heasley; ten bid, Mrs. Townsend, Mr. Dunnett, consolation, Mr. Lozan, Miss Cambrey, Mr. Campbell, Mr. Peddie. The next evening will be held on Monday evening, commencing at 8:15 o'clock. A dance will be held on Wednesday from 9 to 11 o'clock with good music and refreshments.

Have Scenario For First Local Movie

The British Picture Producers Limited, with offices at 304 Pemberton Building, have submitted to the Leasky Paramount Corporation at Hollywood its first story, entitled "The Dragon Prince," for release through the Leasky organization.

If the story is approved by the Leasky organization, production will start immediately on the picture in Victoria, according to J. O. Gray, first vice-president and manager of the producers.

"The Dragon Prince" is a powerful story built around the prehistoric revolution in China, and brings into the picture the different mission stations that are caught in the war web. The estimated cost of the production of this picture would be not less than \$300,000 and as high as \$1,000,000. Thousands of extras would be used in the war scenes and mission scenes of the picture.

POLICE SUSPECT MAN MURDERED

Body Found Identified as That of Man Carrying \$1,600

Vancouver, Sept. 25—The body of a man found Saturday night in the underbrush at Maillardville, near New Westminster, has been identified as that of P. Arzoff of Ocean Falls, B.C., who has been missing from a local hotel since September 14. It is believed Arzoff carried \$1,600 on his person. Police believe he was robbed and murdered. No money was found on the body.

Arzoff resided at Ocean Falls for the past nine years where he was employed by the Pacific Mills.

An inquest will be held on Wednesday.

The body when found was partly decomposed and bore a wound in the head.

Canadian Women Win Matches In U.S. Open Golf

Hot Springs, Va., Sept. 25—Canada scored a double triumph in the U.S. women's golf tournament being played here when both Canadian entrants won their matches in to-day's match play.

Miss Helen Paget of Ottawa won the most outstanding surprise of the tournament by defeating Mrs. Miriam Burns Tyson, the champion, 2 and 1.

Miss Dora Virtue of Montreal defeated Mrs. L. C. Nelson, Dayton, Ohio, 3 and 2.

Book of Knowledge

STRONG CRATING

One of the features of a good crate is its ability to resist weaving and skewing during transportation. Bracing is usually necessary. Figure A shows the bracing found in many crates sent to the United States Forest Products Laboratory at Madison, Wis. This construction appears strong, but tests show such crates weak in the diagonal direction of the faces.

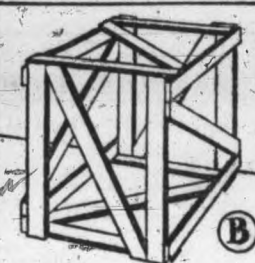

Figure B shows diagonal braces on six sides, giving a crate maximum strength with a minimum amount of lumber. Figure B can stand twice the diagonal force Figure A can.

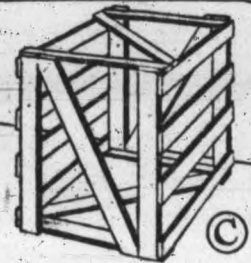

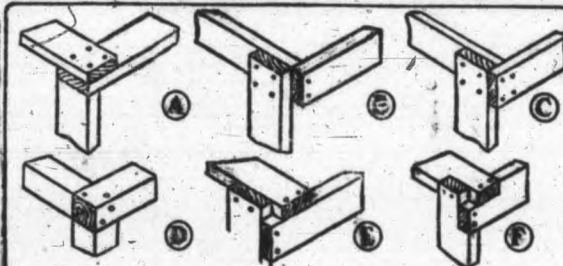

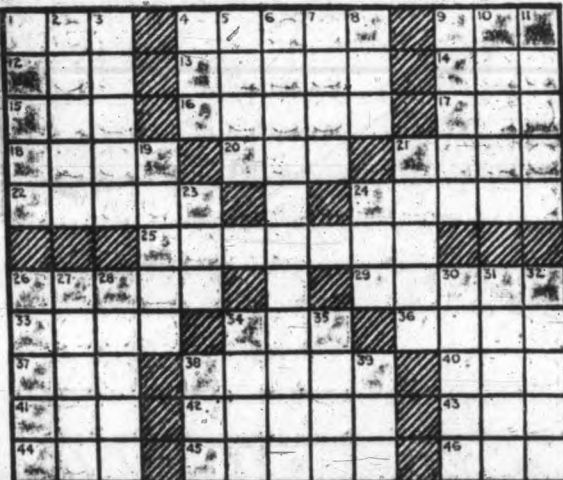

Figure C shows a combination diagonal and parallel slat bracing, good for contents which need protection on the sides and are rigid enough to withstand stresses.

The six figures above show crate corner construction. Figure A is weak because nails are driven into end grain. Figure B shows another example of the same fault. This construction may be improved (Figure C) by side-grain nailing. Figure D is very weak for the very reason Figure A is. Figure E is very effective. It is called the "three-way corner." Figure F is a variation of Figure E. (Next: A Useful Closet)

CANADIAN NATIONAL

AMBASSADORS TO SAIL ON RUSSIA THURSDAY NIGHT

Foreign Representatives to Attend Japanese Wedding in November.

Marriage of Crown Prince and Miss Matsudaira to Be Colorful Ceremony

British, United States, Italian and other foreign diplomats returning to attend the marriage of the Japanese Emperor's brother, to be held on November 9, and other influential Japanese citizens of North America, will be among the passengers sailing to the Orient from Victoria on Thursday evening aboard the Canadian Pacific liner Empress of Russia. Already the passenger list shows more than 900 bookings and by Thursday it is thought that the number will be well above the 1,000 mark, as was the case with the Empress of Canada's sailing three weeks ago. Present bookings show 173 passengers in the first cabin, 165 in the second, eighty-five in the third and 525 in the stateroom.

Among the first-class passengers will be Sir John Riley, K.C.M.G., British Ambassador to Japan, returning to his post in the Orient after a holiday in England. He is accompanied by Lady Riley.

Hon. Charles McVeigh, United States Ambassador to Japan, who passed through Victoria early in June, and has since been holidaying in the United States, will also be a passenger, accompanied by Mrs. McVeigh.

ITALIAN REPRESENTATIVES
To act as the official representative of the Italian Government at the wedding ceremonies, Count Enrico de S. Martino is destined to Yokohama, with the Countess. They will visit for some time in Japan, and return to Italy by way of India and the Suez Canal.

En route to Siam, where she will take charge of nurses in training at the Rockefeller Foundation Hospital there, Miss Frances Millar, daughter of Rev. and Mrs. J. E. Millar of London, Ontario, will also be a passenger sailing from this port on the Russia.

Other passengers include: Miss N. A. Hutchison of Vancouver on route to Penang to visit her brother, C. A. Henderson, a prominent business man of Hongkong, who has been on a business mission to this continent; C. E. Batts of Shaigha; H. D. Talbot of Boston, who will combine a business and pleasure trip; M. Nakayama of Seattle, going to the Orient on business for the Mitsui Company, with which he is connected in the Sound city.

COLORFUL CEREMONIES

The wedding ceremonies which the foreign diplomats will attend will be the most colorful to be held in the land of rising sun for many generations. They will be held at Kyoto, the ancient capital of the country, with all the color and glamour of old-time Japan.

Breaking an ancient custom which says that royal blood shall not be mingled with that of a commoner, the brother of the Emperor of Japan, will lead Miss Setsu Matsudaira, daughter of the former Japanese Minister to the United States, to the altar on November 9. Although a member of one of the oldest and most noble families in Japan, Miss Matsudaira is a commoner and special dispensation was given for the marriage. The ceremony will take several days, during which all Japan will celebrate the event. Unless the present Emperor has a male heir, Miss Matsudaira may become Empress of Japan some day.

TUG BROUGHT UP IN HOWE SOUND

Alert Sunk in 100 Fathoms of Water Raised Near Woodfibre

Vancouver, Sept. 25.—Although successfully recovered from one hundred fathoms of water near Woodfibre, Howe Sound, where she sank after striking a reef on September 8, the Vancouver tug Alert may be unfit for future service. She is being examined by surveyors at the Burrard shipyard.

The tug was brought to port Saturday by the salvage vessel Skookum No. 2 and Helos No. 2 of the Vancouver Drydock and Salvage Company Limited, which raised her to the surface last Thursday.

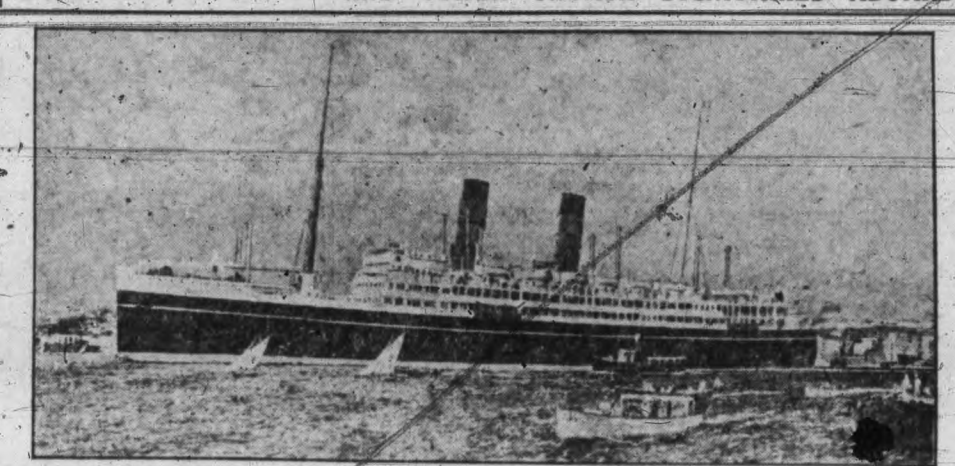

Considerable difficulty was encountered in salvaging operations. It was while working on the Alert that a Vancouver diver developed a serious case of divers' bends and had to be brought to Victoria to be treated in the compression chamber of the Pacific Salvage Company's vessel Salvage King at her berth in the inner harbor here.

The Alert was built at Victoria in 1889 and rebuilt in 1921. She is sixty-two feet long, forty-six gross tons, and valued at \$16,000.

Squall Off Trial Island Disables Fishing Vessel

After being repaired on the ways at the Point Hope Marine Railway, the seine boat Lena P. was released last evening and proceeded to the West Coast of Vancouver Island, where she will work with the pilchard fleet now operating there.

DUE HERE ON OCTOBER 12 WITH BISHOP O'DONNELL AND OTHER CHURCH DIGNITARIES ABOARD

R.M.S. AORANGI

of the Canadian-Australasian line which sailed to-day from Auckland for Victoria and Vancouver. She will call en route at Suva and Honolulu. Among the passengers on the liner is Rt. Rev. Thomas O'Donnell, Bishop of Victoria, returning to his see here after attending the Eucharistic Congress in Sydney at the beginning of this month. Several other dignitaries of the Roman Catholic Church returning both to this continent and to Europe are also passengers on the Aorangi. The big motor liner will arrive here on October 12.

MARGUERITE OFF RUN ON SUNDAY

Will Make Last Trip of 1928 Season to Seattle; Charlotte to Take Run

Finishing a most successful summer tourist season, during which she has carried thousands of people from all parts of the world, the C.P.R. steamer Princess Marguerite will make her last trip of 1928 in the triangle run on Saturday afternoon, leaving here at 4:30 o'clock for Seattle. On Sunday the run will be taken by the Princess Charlotte. The Marguerite's sister-ship, the Princess Kathleen, will be maintained on the run a few days longer, the exact time of her withdrawal not being yet known. When she is taken off for the winter months the triangle service will be maintained by the Charlotte and the Victoria. Slight changes will also be made in times of arrival and departure. San Francisco, Sept. 24—Arrived: Golden, 2:15 p.m.; instead of 1:45 p.m. Arrival from Vancouver will be at 3 o'clock instead of 2:30.

ALASKA SERVICE

In the Alaska schedule the Princess Louise will make her last trip of the season to-morrow, leaving Vancouver at 9 p.m. During October the service to Skagway will be maintained by the Princess Alice and in November the Princess Mary will take over the sailings for the winter.

WEST COAST

The service to the West Coast of Vancouver Island to points as far

Man Robbed In Room on Board C.P.R. Steamer

Vancouver, Sept. 25.—Detectives are searching for a couple declared to have robbed John Beaver of Vancouver, of \$120 in his stateroom aboard the C.P.R. steamer Princess Kathleen, coming from Victoria Saturday afternoon.

According to the victim's story, he invited a couple into his room and after they had left he missed the money. When his guests left his cabin the steamer was already under way for Harbor and they got off before he could find them. He immediately got into communication with the Vancouver police department.

TUG PEARL ARRESTED

Admiralty Guards Placed on Board Diesel Tug at Ladysmith

Owners of Active Pass File Claim Following Collision

Acting on instructions from the Admiralty Court Marshal H. W. Goggin arrested the diesel tugboat "Pearl" at Ladysmith on Thursday, and placed guards on board, pending the settlement of claims preferred by the Japanese owners of the vessel "Active Pass," in collision with the Pearl in June, 1927.

The "Active Pass," a fish-carrying vessel owned by N. Okukawa and Y. Nishihata, was plying in the Straits of Juan de Fuca when she came together with the "Pearl," and sustained damage which is the subject of the claim. Messrs Congdon, Campbell and Meredith, Vancouver, are acting for the plaintiffs in the arrest of the Pearl. The tugboat remains at Ladysmith with Admiralty guards on board.

Man Robbed In Room on Board C.P.R. Steamer

Vancouver, Sept. 25.—Detectives are searching for a couple declared to have robbed John Beaver of Vancouver, of \$120 in his stateroom aboard the C.P.R. steamer Princess Kathleen, coming from Victoria Saturday afternoon.

According to the victim's story, he invited a couple into his room and after they had left he missed the money. When his guests left his cabin the steamer was already under way for Harbor and they got off before he could find them. He immediately got into communication with the Vancouver police department.

FOUR-MASTED SCHOONER IN ESQUIMALT

Running aground on Church Island during a heavy gale on Sunday, the four-masted schooner C. S. Holmes was towed into Esquimalt Harbor yesterday afternoon by the MacFarlane Company's tug J. W. P. Her keel and other underparts were slightly damaged. For many years the schooner has been trading between the Arctic and Puget Sound ports. The towing company is laying claim for salvage of the craft and as soon as this matter has been arranged she will proceed to Seattle.

SEATTLE SHIPPING

Seattle, Sept. 25.—To lift heavy apple bookings for the United Kingdom and Europe, the refrigerated steamer Narva of the Royal Mail Steam Packet Company has been routed here to take the December 19 sailing of the Loch Monar. The larger vessel will be loaded to capacity with apples before she clears from the Pacific Northwest.

A marked gain over the preceding month was shown in August lumber exports from Washington. Tables compiled by the Pacific Lumber Inspection Bureau show exports from Washington totaling 304,349,190 feet, as compared with 276,335,913 for July, while British Columbia shipped 78,870,958 feet in August, as compared with 62,933,220 the preceding month.
